## By ROCKY CLARK

Sports promoters who have been undergoing fearful jitters over what television would do to their box-office take, ought to be resting a bit easier this week. Television coverage of the World Series failed to cut down the gate. In fact, cash plunked down at the Yankee and Dodger ball parks hit the

mated to have watched the games by television. A Hooper survey found 63.941 watching on home sets in New York, Washington, Phila-delphia and Schenectady alone. Others watched in stores, restaurants, bars and clubs. The Hooper report showed NBC's station

workers.
