Co-Ed Enrolls in Course for Football Coaches

ANN ARBOR, Mich. (U.P.)

Miss Beverly Bussey set a precedent at the University of Michigan when she enrolled in Wally Weber's class on fundamentals for prospective football coaches.

Miss Bussey, who weighs about 100 pounds, said she does not plan to play or coach football. She merely wants to become a sports writer and aspires to qualify for reporting.

Football knowledge isn't her only aim in the sports field. The young co-ed took a course on fundamentals of baseball last spring and during the coming winter semester plans to take a course in basketball.
