A reader asks the answer to my question of fact by writing The Long Beach Press-Telegram information Bureau, 300 N. St., B. Washington 2, D. C. Please include three (3) cents for return postage. Q. What is the most sparsely settled county in the United States? G. Y. A. Armstrong County, in the Cheyenne River Indian Reservation of South Dakota, had this distinction when the 1940 census was taken. The population then was 42 and three years later had fallen to nine civilians because of the war. Q. When did habeas corpus become an accepted principle of law? M. T. A. The writ of habeas corpus ("have the body") was guaranteed in England by the Habeas Corpus Act of 1679 but suspended thereafter. It was written into the Magna Carta in 1215. The American colonists valued it highly and in 1787, to prevent similar suspensions, a provision was written into the Constitution: "The privilege of the writ of habeas corpus shall not be suspended unless when in cases of rebellion or invasion the public safety may require it."

McKENNEY ON BRIDGE

By WILLIAM E. MCKENNEY

Do not let an edge lead you astray. There is no rule in bridge that does not have to be broken at times. I am referring today to the old expression, "There are thousands of people walking the streets of London because they failed to lead trump." If the declarer leads trump in today's hand he loses. He has good diamond support, so it would not hurt him to bid three diamonds. When South bids three clubs North is correct in avoiding three no trump. He has heard his partner bid three different suits, indicating that the most

WHAT OTHERS ARE SAYING

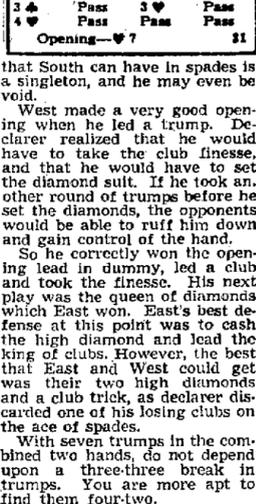

They will go through the movements in order to secure our \$17,000,000,000 but the results will be very disappointing. —George H. Barle, former U. They would have America assume responsibilities and bases—and territory throughout the world, for the benefit, of course, of the world. —Sen. Robert A. Taft (R.) of Ohio.

So were the judges. They nominated the ship for a one hundred-dollar prize, discovering later that the float was a recruiting exhibit of the Navy, following the parade by special permission. Making a graceful exit from its embarrassment the prize committee has sent the money to the United States Naval Hospital.—Philadelphia Bulletin.
