

"I haven't any troubles so I come here to get away from it all!"

SENATOR SOAPER SAYS:

Each day now one hears of new triplets and quadruplets, and little of single births. What's the present system of scoring—three or no count?

An old controversy over ownership of the lonely Falkland Islands is stepped up by the finding of a new island...

"A Boston cat jumps up into the kitchen sink and drinks water dripping from the tap..."

QUESTIONS

By HASKIN

A reader can get the answers to any question of fact from the Long Beach Press-Telegram Information Bureau...

Q. Should an African violet ever be placed in direct sunlight? S. B. Y.

A. Department of Agriculture specialists are of the opinion that African violets need a sunny window during the middle of the winter but can be put in the shade about the last of February...

Q. Have the so-called "red tides" like the one that occurred on the Gulf Coast of Florida last year been recorded in other parts of the world? W. E.

A. The Fish and Wildlife Service reports that red tides have occurred in various parts of the world for at least a century...

Q. How much of the world's sugar comes from sugar cane and how much from sugar beets? P. W. N.

A. The world consumption of sugar is placed at 30,000,000 tons a year. Of this about two-thirds is cane sugar and one-third beet sugar.

Q. What is the difference between boards, planks and timber? E. H.

A. As a rule lumber less than 1 1/2 inch thick is designated as boards; from 1 1/2 to 4 1/2 inches thick as planks, and over 4 1/2 inches as timber.
