Country Club Elects Ottenman President

PLATTEVILLE—C. W. Ottenman is the new president of the Platteville Country Golf Club. The officers are Loren Gipp, secretary; Dr. C. W. Burch, chairman of the grounds committee, and Dr. C. M. Schulte, chairman of the clubhouse committee. Dr. C. M. Schulte is the retiring president and Fred John the retiring secretary.

LOVELY HEART SOOTHED

INDIANAPOLIS—(U.P.)—Mrs. Bernice Jones doesn't like jail as such. But when her husband was locked up on a robbery charge she became lonely. She pleaded her case at headquarters and was locked up, too, on a vagrancy charge. "I just want to be with my husband," she said.

SEATTLE—(U.P.)—These two signs were prominently displayed in a local restaurant: "Creamed Chicken on Bacon Powder Biscuits" and "Beef Stew with Dumplings."

PIE CRUST PERFECTION

Cheers for pies in winter menus—and other season as well! And cheers for ideas that lend variety, too. Here are two, for example: to crust intended for apple pie, add about 1/2 cup grated cheese. And in crust to be used for peach pie, use bacon drippings for the shortening. Fine blenders, both!

Power story of the year

(told in a whisper!)

Thrill secret? "Free-breathing" design

Higher engine efficiency gets more power out of each gallon of gasoline, permits more economical rear axle ratios—pays off in up to 10% greater fuel economy!

Tops in durability, too!

Packard power is famous for trouble-free performance that lasts. Countless Packard engines have turned up more than 400,000 miles of faithful service.

ASK THE MAN WHO OWNS ONE

Come in and hear how this silent, smooth Packard delivers more power...with amazing new economy!

HERE's the biggest news in historic power experience. Here's power to thrill you in three important ways:

New smoothness! Smoother than any of the famous Packards of the past. Reasons? Slower piston speeds . . . streamlined fuel distribution.

New responsiveness! Instant-responsive reserve power that breezes you around other cars, and around fast trucks and busses.

New economy! Result of new "free-breathing" design and higher compression ratios. Here's new efficiency that gives you up to 10% more economy!

Don't miss seeing the most efficient Packard ever built! On display now at your nearest Packard showroom.
