This Explains Why Diplomats Talk That Way

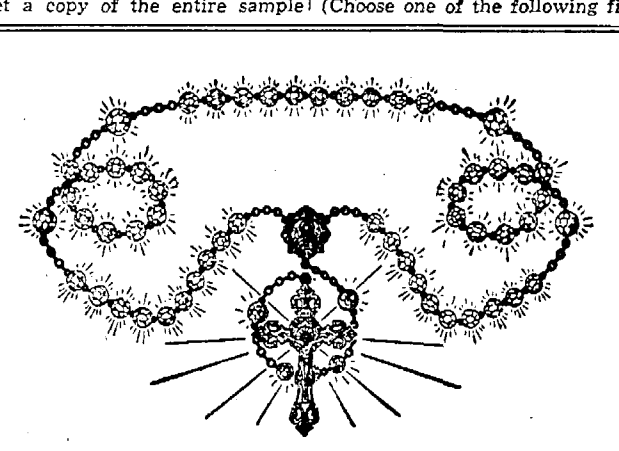

WASHINGTON—(U.P.)—Ever have trouble understanding diplomatic language? This may be a clue to the difficulty.

The state department has published sample questions from examinations it gives candidates for the foreign service. One of the many papers tries to find out what the candidate knows about the meaning of words.

The following is a sample of this word test. Circle the word after the dash which you think defines or most nearly approximates the meaning of the word before the dash:

Acerbity—Celerity, acrimony, servility, frigidity.
Anile—Obliterated, inconstant, discolored, infirm.
Apposite—Permanently established, obviously contradictory, entirely inappropriate, highly pertinent.
Bucolic—Rustic, poetic, masculine, irascible.
Caveat—Intimidation, denunciation, premonition, admonition.
Chelonian—Pertaining to toads, to whales, to turtles, to elephants.
Denigrate—Nullify, return, nullify, grind.
Fetid—Covered with filth, thoroughly decayed, excessively vulnerable, characterized by fertility.
Fetid—Embryonic, malodorous, putrescent, rudimentary.
Hagiographic—Tending to circumlocution, similar to picture writing, pertaining to the biography of saints, relating to the practice of witchcraft.
Laodicæan—Effete, vicious, voluptuous, indifferent.
Otiose—Unctuous, indolent, corpulent, gluttonous.
Penurious—Meticulous, thrifty, parsimonious, discontented.
Poltroon—Arrant dastard, mon-

grel outcast, filthy debauchee, avacious landlord.
Salacious—Marketable, prominent, lecherous, liquid.
Tergiversation—Gyration, commotion, equivocation, circumlocution.
Need to Be Experts

list of examinations for 25 cents at the government printing office. You'll find that America's aspiring young diplomats are asked—although not necessarily expected to know—such "stump the expert" questions as these:
"The usual rate, in pounds per acre, of seeding corn is about—(Choose one of the following figures)—7, 12, 20, 25, 40."
"The realistic portrait bust reached its highest development in—Egypt, Babylonia, Assyria, 4th century Greece, Rome."
"The majority of Virginians at

Du Barry Cleansing Cream

gives a woman that *Who is she?* look...

For skin glows with clean, young freshness... because Du Barry Cleansing Cream softens as it seeks out imperceptible dirt and grime. Prove it to yourself!
