## Answer to Previous Paule ANSWERS TO QUESTIONS

By HASKIN A render can rei the answer to an question of fact by writing The Long Beach Press-Telegram Information Bu-renu, 316 Eye 64, N. Z., Washington 2, D. O. Ficano inclose theres (3) cents far return postage.

Q. Who was the author of the 48 Sorrow (var.) 49 Kind of A. It it not definitely known. The words have been attributed to James Otis, in his "Argument on the Illegality of the Writs of Assistance" before the Supreme Court of Massachusetts in Feb. 1761. The only rec-ord of what Otis actually said consists of rough notes made by John Adams.

> Q. Does a radiator painted with oil paint radiate more heat than one painted with a metallic finish? F. R.E. A. An oil paint finish radi-ates about one-sixth more heat than a metallic paint finish.

Q. Who delivered the oration at the funeral of Abraham Lincoln? R. C. R.

A. At the funeral of President Lincoln in Springfield, III., the oration was delivered by Bishop Matthew<sup>+</sup>Simpson of the Methodist Episcopal Church It is approximately eight pages long as printed in "Memorial Record of the Nation's Tribute to Lin-coln," compiled by B. F. Morris.

Q. Did Donald McKay build any ships besides clippers? N.

G. T.

nine against a no-trump contract is a little difficult. The spade-lead ... as won in dummy with the queen. Hirsch (North) saw that he could cash four spades and four clubs, but how could he get his ninth trick? As soon as the opponents got in with the ace of diamonds, they would run the heart sult. He decided to try to steal a He decided to try to steal a trick, so he led a small diamond from dummy Sure enough West

played low, and Hirsch went in with the jack. Then he just went ahead and cashed his four clubs and the other three spade tricks. If he had run the club suit first West undoubtedly would have jumped right in with the ace or the first diamond lead in order to grab off the heart suit.

## 'PLIMBER'

THE BRITISH are building their homes out of a new material called "plimber," the name of

which is derived by eliding the words "plastic timber," which is what it is. Meanwhile, most of the houses in this country are be-ing built nowadays of a new ma-

terial called grumber, Grumber, an elision of the words "green lumber," achieves some novel effects in doors and windows that won't open if they are closed or close if they are open. Another remarkable inno-

vation is the dwuprint, or hous-ing blueprint for dwarfs, for whom most of the present-day residences seem to be going up. knowledge of 1250 voters—953 men and 297 wome: 120 states --on questions such as the tariff, compulsory arbitration of labor disputes; etc. The women scored higher than the men. It shows women can understand politics as well as men. Answer to Question No. 3 No. 1 am at loggerheads with No. 2 men and 297 wome: 120 states --on questions such as the tariff, compulsory arbitration of labor disputes; etc. The women scored as well as men. No. 2 men and 297 wome: 120 states --on questions such as the tariff, combines the principal features of the mortgage with the prin-cipal features of barkruptcy. A merican inventive genius Dispatch.
