Modest Maidens ANSWERS TO QUESTIONS By HASKIN

5-3

O. What two structures are factors in determining the size of United States warships? S. A.

Q. Please give the origin of the expression, feet of clay." J. McH.

A. The term "feet of clay" is taken from the Bible—Daniel

Q. Why is the ancient stone under the Coronation Chair in Westminster Abbey called the Stone of Scone? W. W. F.

A. The Stone of Scone, according to tradition, formerly was

the pillow used by the patriarch Jacob, and was possibly brought to Scotland after the Crusades.

It was kept at the Abbey of Scone until 1296 when it was removed by Edward I of Eng-land and placed under the Coro-nation Chair in Westminster

height.

"Maybe this hat's not so pretty now, but wait till we get some rain and the flowers start to bloom!

could do to stop the contract, so instead of putting the five of dia-monds on the king, she played

monds on the king, she played her queen.
You can see what happened. When declarer continued the diamond suit, North got in the lead with the jack and was able to come through the spades. Miss Srenco's spade suit was established while she still had the king of clubs and her partner

Srenco's spade suit was established while she still had the king of clubs and her partner still had the king of hearts.

Why did she not wait until the second round and unblock with the queen of diamonds? If she had, declarer could have led the eight of diamonds and let her hold the trick if she put on the queen. Then if she led a heart East could have taken the finesse and let North win with the king. But when North came back with a spade, declarer could have won a spade, declarer could have won it, and could have taken two spade tricks, three hearts and four diamonds—enough for

MIDDLE ROAD

ONE HUNDRED AND ONE na tions require motorists to drive on the right side of the road, as in the United States, and 85 require them to drive on the left, as in England. And no doubt motorists in all 186 show a decided preference for show a decided preference for driving in the middle.—St. Louis Post-Dispatch.
