SENATOR SOAPER SAYS:

There is to be a pause; it ap-pears, in the western march of an insufferable state of affairs, mighty communism. Much to the Kremlin's chagrin, the in-evitable isn't bowing to Pal Joey. Telling a big lie while you're at it is popularly regarded as a

Lacy fringes on well-rusted fenders of the older sedans are the cutest effect since the girls gave up wearing pantalets.

Insults handled now by G. O. P. rivals may haunt the party in ral part of the new bold look for the fall. The far-seeing candimen generally, and not merely date will ask himself, what in Hollywood where they identiwould the great Coolidge leave fy the nut as an acorn. unsaid if he were here?

Of the wonders of deep-freez-ing there is no end, the latest being the pat of restaurant butter you can break a denture on.

A discouraged analyst finds no clash on fundamentals in the '48 campaign, the two great political Opti parties being virtually one. Thus, says,

ECA-Happy Thea. HJ-Raggedy Ann. WX-K. Manning. GER-News, Ford Lawis.

Telling a big lie while you're

at it is popularly regarded as a Hitler invention, though in due course no doubt Moscow will claim it, along with radio, the electric light bulb and telegraph.

Berets are listed as an integ-

In recent months two governors of states have picked their secretaries for brides. We can only think a dodge like that defeats the high purpose of a

civil service system. Optimist, noun: One who ays, "We live and learn."

Q. What is the difference be-А.

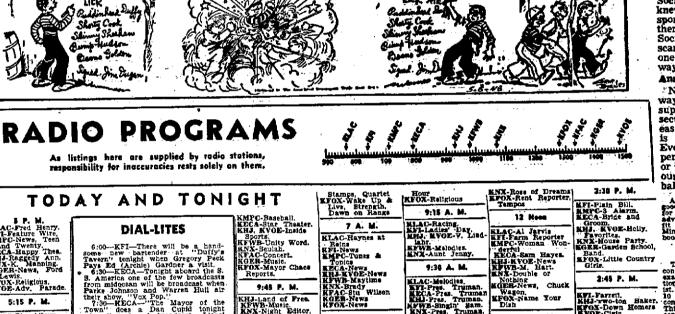

Q. How long would it take a person to make a million strokes with a pencil? A. O. T. A. Assuming that he wrote one stroke a second, it would take him about 278 hours, or 11 days 14 hours of nonstop writdays included, it would take at least 34 days and six hours to accomplish the task.

Answer to Question No. 1 There are two schools of thought on this question - male and female. They approach it

1. DO MEN SHORE MORE THAN WOMEN

By Gene Byrnes

YES NO

"Now let's see, which do you wish to do; reduce or gain?"

Let's Explore Your Mind

By ALBERT EDWARD WIGGAM, D. Sc.

from different angles, or rather from different noses and ears. Evidence, however, indicates that man is the more efficient snorer. His organs for producing sound, especially his soft p a late, are larger and more sonorous. Answer to Question No. 2

Answer to Question No. 2 I would have said "yes." But P s y c h ol o g is ts Meenes and Greene compared the interest of a large group of students in 25 subjects with the amount of knowledge they had about each subject: Golf, baseball, poetry, Socialism, politics, etc. Many knew a lot about baseball and sports but had little interest in them; many had deep interest in Socialism and politics but knew scarcely anything about either one! Surprising, but that is the way it is. way it is.

Answer to Question No. 3 No. It is because we are al-ways trying to gain a feeling of superiority to others and thus

into dummy to take the heart finesse IT'S NATURAL HEDY LAMARR is suing a magazine for saying she had her nose altered by surgery. Miss L. would like for the world

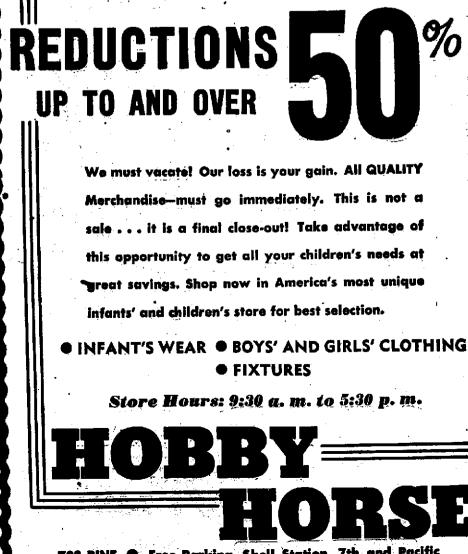

to know that her nose is natu-rally more beautiful than her vanity.—St. Louis Post-Dispatch.

secure a feeling of security. The easiest way to boost ourselves is to run other people down. Even if the other person is su-perior, we criticize his bald head big nose to keep from feeling

our face is homely or our head Our face is indificit of our field bald inside or out. - INTERESTING CONVERSATION A gift that dan be yours. To be a good conversationalist is to be a sought-for partner in any grant thering. Many grant advantages will be yours. For the Bene-fit of readers of 'Let's Explore Your Mind,' Dr. Wiggam offers a remarkable booklet:
