Apower to Previous Puzzle

"The hot-foot test! We leave nothing to chance in proving that ours is the finest product on the market!"

SENATOR SOAPER SAYS:

Like the fat girl's betweension of coal digging is not to be confused with any regular strike scheduled for June.

"I'll give him this," said the voice on the morning bus. "I think he's sincere when he says Wallace is sincere."

Police in Washington, D. C., are asked why they don't crack down on a big numbers operator named Sunshine Boldware, and in our mind's eye we see a Sydney Greenstreet type, with bare

A blue tomato, latest triumph of the experimenters, can never take the place of the well-aimed. slightly spoiled red ponderosa as a campaign argument.

REG'LAR FELLERS

Like the fat girl's between meals snacks that don't count on the diet, the recent suspension of coal digging is not to be solved with the word "reciprocal."

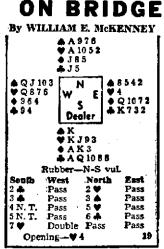

Succeeding the massive character, common to ball parks, who climbs over one during the exciting plays is the bartender who blots out television's big

If the story goes out of its way to call him "likable," it means the club has asked waivers or the organization is conniving to dump him at its nominating convention.

The lately revealed Truman gift for impromptu oratory is scarcely surprising. It is only to be expected of an old haber-dasher that he will have plenty of cuffs to speak off.

SWELL, DOC-

AN WORTH EVERY PENNY OF IT, TOO!

I received an interesting letter from Ward C-110 of the U. S. Naval Hospital at St. Albans, L. I. The boys refer to themselves as "inmates" of the

themselves as "inmates" of the war and sent me today's hand. They admit that their play would normally give ulcers to any good player who might kibitz. They have been reading in my column about the inadvisability of indiscriminately doubling slam contracts, and they sent me today's hand

doubling slam contracts, and they sent me today's hand.

The four boys who signed the letter are D. C. Sprong (East), B. L. Baddley (South), Frank Tull (North) and J. Lombardo (West). It seems Baddley was criticized for his initial two-bid, and Lombardo for his double, which, however, he still defends. Sprong (East) elected to open his singleton heart on the theory that the opponents had the trump suit sewed up and the lead could do no harm. The nine was played from dummy and West refused to put on the

West refused to put on the queen.
The king of spades was the next play, followed by the three of hearts from dummy. When

West again played low, declarer finessed the ten of hearts. The jack of clubs was led and allowed to ride when East re-fused to cover. Then the five of clubs was played and dummy's ten finessed.

The eight of clubs was led, West again went into a huddle, finally refusing to trump and discarding the four of diamonds instead. Declarer trumped with the five of hearts and cashed the ace of spades, discarding the three of diamonds from dummy. The ace of trumps was cashed, a small diamond led to the king, the king of trumps picked up

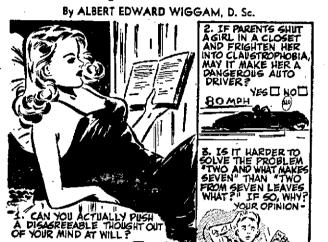

A DIME ?

BANAHA SPLIT

Answer to Question No. 1
Yes, if you learn how, and
West's queen and the dummy was solid.

It's easy to learn. Decide to think of something else. Don't say to yourself, 'I' won't think of that person,' or regret that mistake or whatever distresses By Gene Byrnes

Answer to Question No. 2 Quite possible, according to the Psychopathical Clinic of Detroit Automobile Court, under Dr. L. S. Selling. He says some women tend to drive in the middle of the road because they suffer from claustropholic. The suffer from claustrophobia—the fear of being shut in—and feel safe farther away from the sides of the road—which gives them a feeling of being confined—the most dangerous thing they could

Answer to Question No. 3 One psychologist found it took people longer to answer the first question than the sec-ond, although the answers are

By Jay Alan ANSWERS TO **QUESTIONS**

By HASKINS

A reader can get the mnawer to any question of fact by writing The Long Beach Press-Peigram information Bureau, 318 Eye St., N. E., Washington 2, B. C. Piease inclose three (3) cents for return

Q. Does a centipede have 100 legs? R. J, A. Some centipedes have as high as 173 pairs of legs and others have only 15. Thirty-five pairs is probably an average

Q. What was the cost of the famous castle of Death Valley Scotty? W. I. H.

A. The castle was built in the 1920's at a cost of \$2 million. In 1943 it became a tourist resort and Scotty (Walter E. Scott) lives in a cottage nearby.

Q. How tall is Harold Stassen? T. G.

A. Mr. Stassen is 6 feet 2 inches tall, and according to latest reports weighs 220 pounds.

Q. What is Germany's oldest university? L. T. E. A. Heidelberg, dating from 1386, is the oldest university. During World War II the buildings were spared as were those of Oxford and Cambridge in England.

Q. Does the word myriad im-ly a specific number? M. S. C. A. As ordinarily used it means a great but indefinite number, However, the word derives from the Greek myrioi which literally

means "ten thousand." Q. What President was the first to toss a ball at the opening of the baseball season in Washington, D. C.? K. M.
A. President Taft was the first

to do so in 1910. Walter Johnson of the Washington team caught the ball.

Q. How much land in the United States has been made unfit for cultivation by erosion? R. A. K.
A. Conservation agencies have

A. Conservation agencies rave estimated that about 282 million acres of formerly productive land have been destroyed by wind and water and in addition there are another 46 million acres that should no longer be cultivated.

the same. He concluded the reasame. He concluded the rea-son was the first requires "con-structive thinking;" the second "destructive thinking" and that it takes less mental effort to tear down than to build up. Try it on your friends with a stop watch.
