

All sessions of the Wisconsin Idea Theater conference will be open to the public...

Gard especially invited public attendance at an address by Barrett H. Clark...

He will speak on "The American Theater Scene"—a scene in which he has played a prominent role...

Clark has been connected with theater since 1912, when he was stage manager for Mrs. Minnie Madden Fiske...

All the conference sessions except Clark's lecture will be free. There will be a small charge for that.
