ANSWERS TO Modest Maidens QUESTIONS

By HANKINS. A reader can get the answer to any question of fact by writing The Long Beach Press-Telegram, Attention: Modest Maidens, 216 E. 1st St., Long Beach, Cal. Please include name (if used) and return postage. Q. Please define the term "stainless steel." A. The expression "stainless steel" is a trade name applied to a low-carbon alloy steel of high chromium content. It is to a considerable extent corrosive resistant. The chromium content varies from 8 to 20 per cent. It was originally developed for use in the cutlery trade. Q. In what way does homicide differ from murder? A. F. N. A. Homicide is a broader term. It signifies the killing of one person by another. Murder is intentional and unlawful homicide. Q. What is a skipper? I. N. D. A. A skipper is a little silver box for holding the wax seal attached to treaties. Skippers have not been used for years. Many countries had them until 1906, and Great Britain used a skipper as late as July 15, 1918. The United States has not used skippers since about 1857, although they were in use here during the years 1815 to 1857. Q. After solid mahogany wood is bleached, is there any danger that the natural red will come out through the bleach? F. A. C. A. The Forest Products Laboratory has not had a great deal of experience with bleached mahogany, but it has never heard of any complaints about the natural red color coming out through the thin bleached layer. The laboratory does not believe that this will occur, unless possibly it might if the wood became thoroughly wet, in which case the water-soluble colored substances might diffuse to the surface. Q. What was the value of the insurance policies taken out by the Warm Springs Foundation on the life of President Franklin D. Roosevelt? J. W. H. A. The Warm Springs Foundation took out and paid for insurance policies on Mr. Roosevelt's life valued at \$500,000. The Dominion will be our first line of defense if it is true, as frequently predicted, that "the next war will be won or lost in the Arctic."—Oakland Tribune.

McKENNEY ON BRIDGE

By WILLIAM E. MCKENNEY. The summer session of the national championships tournament will be held July 31 to Aug. 8 at the Hotel Stevens in Chicago, Ill. This tournament will bring to the middle west for the first time three world championship events—the masters pairs, the masters teams-of-four and the masters mixed teams-of-four. Although the masters pair title is now held by two mid-westerners, Frank Weisbach of Cincinnati and Allen Harvey of Louisville, Ky., most of the former winners are from the east. However, the fine card players of the middle west will give the easterners a lot of competition this year. Today's hand is one that few good card players should miss. The opening lead of the three of clubs is won in dummy with the ace, and the best play at this point is to pull a small spade from dummy. East puts on the nine and declarer should cover with the 10. West wins with the jack and returns another club, which declarer has to ruff. Now he leads the queen of hearts. East wins South's ruff. Next, the six of spades is played, and when West plays low, declarer finesses dummy's eight-spot. When it holds the trick, start to play off the heart suit. Eventually West is forced to trump, and there is nothing he can lead that will do any damage. If he leads another club, South can ruff it with the queen of spades. If West leads his last trump, South wins it in dummy with the ace of spades and the balance of the tricks are his. NOT EXPENDABLE. HERE'S a tidy little Air Force: 112 bombers, 570 fighters, 44 transports, 104 liaison planes and 212 trainers. Aside from Russia, Britain and the United States no country has one more formidable. But the point is that this air force is scheduled to be destroyed—this year. The planes enumerated are those the United States Air Force estimates will crash in accidents. Rep. Engel (Rep.-Mich.), is so alarmed at the frequency of military airplane accidents that Congress may soon demand an investigation. Such an inquiry seems very much in order. When a thousand planes go down in crashes a good many men will go with them. And young American fliers should not be considered expendable.—Omaha World-Herald. FREE TO HORACE. If this is your name you will receive a gift of obligations. Just print your name in order. When a thousand planes go down in crashes a good many men will go with them.
