THE 'JEEP' TAKES POWER TO THE JOB

Put an air compressor on the Universal "Jeep" and you have a dependable source of power for operating air hammers, pneumatic drills and many other air driven tools and devices. With power take-off, (available as optional equipment), the "Jeep" delivers up to 30 hp for on-the-job operation of many kinds of spline-shaft and belt-driven equipment, including arc welders, generators, pumps, buzz saws and paint sprayers. And in addition, it has 4-wheel traction and pulling power to go wherever the work requires. Ask for a demonstration.
