ader can get the answer is of fact by writing The reserving The reservation I but. N. E., Washington I. inclose three (I) emit far

Q. How many different kinds

of football are there? I. M. G. A. As an offshoot of the orig-

inal game, the following types

of football have developed: American football, American six-

man football, Australian rules football, Canadian football. Gae-

lic football, Rugby football, soc-

Q. How much money was

earned by the famous race horse Dan Patch? D. R.

A. The United States Trotting Association says that there is

no way of determining at pres-ent the amount of money which

Dan Patch earned in races. He

was exhibited throughout the

country for several years and earned a tremedous amount of

money. The portion which he won in races, however, was rela-tively small, and as it did not

compare with a number of other horses of the same period, no

record of his actual race win-

Q. What state legislatures are holding sessions this year? P. P. A. Ten states are holding reg-

ular sessions in 1948: California, Kentucky, Louisiana Massachu-setts, Mississippi, New Jersey, New York, Rhode Island, South Carolina and Virginia. Arizona,

Connecticut. Michigan and Utah have special sessions.

Q. What is the color of the 17-year locust? L. D.

ularly known as the 17-year lo-cust although it is not a locust, is bright green in color when just mature, and then gradually becomes a dark brownist red in

Make Your House a Home With TELEVISION

WARD BROS. 2714 EAST ANAHEIM Established Over 21 Teers McKENNEY ON BRIDGE Carnival

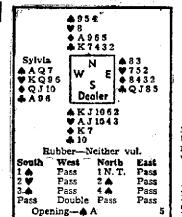

By Jay Alan

By WILLIAM E. McKENNEY MANY of my readers have written to me to ask what has happened to Sylvia. Sylvia has not been playing much bridge lately. She has been pretty well occupied taking care of

Thomas L. was kibitzing. They tell me that even he was startled by Sylvia's bidding and play. First of all, only Sylvia would pass the one spade bid, and only Sylvia would pass the two heart bid. When North and South really got going, Sylvia decided she would do nothing until they got too high, as they did. When

thought it was time to double. Now reach in the West hand for a good opening lead. Wouldn't you select the queen of diamonds as the natural opening? Not Sylvia. She decided to lead the ace of spades, and it so confused the declarer that before he was through he had gone down two tricks. If he had been careful,

North bid four spades, Sylvia

he might have held it to down

puzzling.

"It seems rather an embarrassment of richet," says Answers. "But a National Laugh

IRON HORSE OUT

WORD to disturb many persons who retain an enthusiasm and admiration for steam locomotives comes from Schenectady where the American Loco motive Company has turned out its last of the steam engines. This is no portent of the early

disappearance of the fron horse, for that traveling power plant is still too valuable to permit its vanishing at any time soon. snorting, hissing and smoking, thrilling accompaniments of a large part it played in building up the country, will still thrill though its area of performance may gradually grow smaller. A company that has made steam locomotives for a hundred years is to go in solely for Diesel-electric production, and that is a straw in a wind tht blows sentimentalists no good,—Oakland

U OOHAP OBSERVATORY Thomas L., who is now nine months old. The other afternoon she sat in on her first bridge game in quite a while, and

LONG BEACH (CALIF.) PRESS-TELEGRAM MONDAY, JULY 5, 1948

By Dick Turner

"The big thing in this business, Beamish, is to watch the lights in the sky, not these in the hotel district!"

SENATOR SOAPER SAYS:

The Eskimo taste in radio is found to run to cowboy laments, the sadder the better. For the real blubber, have they tried our weeping wives?

An item from Pisa reports the job of bracing the famed leaning tower is complete. As predicted here exclusively, in 1940, Il Duce fell first.

California plant scientists are baffled by the case of the Valencia orange, now growing smaller each year. This, though, is but part of the larger mystery, the dwindling of the 60-

No mean feat of carpentry is the building of the national political platform. As with the stages of opera houses that play the big magic shows, the smoothly functioning escape hatch is a must,
