#### SENATOR SOAPER SAYS:

Very instructive, the crack-down on Tito. Under democracy, as it is understood by the Kremthe buy who wears no man's collar is indecent.

How strange, that child psychologists don't capitalize on the rebel spirit in our young. Make the reading of 10-cent comic books compulsory, and the evil might abate itself.

It is assumed Eisenhower kept a carbon copy of his earlier re-fusal—this, in case of having to reply to "greetings" from a draft board of Democrats.

"When walking, the elephant moves only one foot at a time."
It is felt it can do better though, if the dynamic Dewey

thing less than effectual in the Palestine matter, nobody can deny that U. N. wrings a nice hand and heaves a gentlemanly

millioni

Q. Why has there been such wide interest in the Antarctic in the last few years? J. D. M.
A. The purpose of the numerous expeditions to the Antarctic was to obtain more exact knowledge of the geography, weather conditions and potential mineral resources of the Antarctic continent is known to nent. The continent is known to contain copper, probably has petroleum and, according to some geologists, may even have de-posits of uranium, the key in-gredient of atomic energy, beneath its ice sheet.

Q. What is the name of the dog that was presented to President Truman? C. V. A.

A. The dog is named "Marsden Mr. Missouri," but the President calls him "Feller."

Q. Who wrote the inscription n the tomb of the Unknown Soldier at Arlington, Va.?

C. McC.

A. The office of the Arlington National Cemetery says that the author of the inscription on the Tomb of the Unknown Soldier is unknown. The inscription is as follows: "Here rests in honored glory an American Soldier known but to God."

Q. What is meant by removing the nerve of a tooth? A. C. S.
A. The American Dental Association says that in specially selected cases a dentist will amputected cases a dentist will ampu-tate a portion of the "pulp" of a tooth or he may remove it en-tirely. The "pulp" is made up chiefly of nerve tissues and blood vessels. This operation becomes necessary when the pulp exposed through decay or in

By WILLIAM E. McKENNEY Bridge is a partnership game. For that reason, individual tourments, in which every participant plays with every other participant as a partner, have not gained great popularity. An exception to this is the master individual championship, which is strictly invitational, and always

fills up easily. Miss Frances Nelson, of Chicago, runs an individual game annually that attracts players annually that attracts players from all over the country. A large number of eastern stars participated in it this year, but none of them finished in the first eight. The winner after four or five sessions of play was Lester Hofheimer, of St. Louis Mo.

Louis, Mo. Harry Fishbein, of New York, selected today's hand as the outstanding one of the tournament. The opening lead of the king of
