played her first major role opposita Bing Creeby for the start of the start of

site Bing Crosby in "Connecticut Yankee," h a s just been signed as Bob Hope's leading lady in "Easy Does It," his next picture at Paramount. From Bing to Bob or vice or vice within a versa quick leap fame for any gal may Bob's last pic-

ture for a year or more, because he wants to concentrate on radio and visits to hospitals all over the country for some time.

Warners is talking a new contract with Harry Lewisclick as the baby-faced killer in "Key Largo." His seven-year deal

at that studio has only six weeks more to go. Well, fevvens sake! What have they been doing with him these past six years? Seymour Stern is hitting studios already with his finished yarn on the life of D. W. Griffith. Many a studio will want to film Griffith's life—but how many offered him even a job in the past several do more of those "B" epics. There years? So, it will be interesting were rumors that Dennis Morgan to see what "happy ending" who-ever films it puts on the late pro-

ducer's career. After a squint at his emoting pictures with Jack Carson. But our information is that Morgan 20th-Fox is dangling an important new deal in front of Richard

Conte.
Robert Montgomery was thrilled four shades of pink be-cause the navy invited him to be among the passengers on the first non-stop flight to the East on that new 180 passenger Constitution. Needless to say, Bob accepted. He was headed for N. Y. to join his family anyway.
