**GI'S WARNED ON REPORTS**  
Veterans in on-the-job training under the GI bill were reminded yesterday by Allan M. Perkins, manager of the Bridgeport Veterans' administration office, that their training reports for August must be submitted to the VA by Sept. 10. This monthly training report, Mr. Perkins said, is form T-1000, on which the trainee keeps a daily record of attendance and of the units in which he receives instruction during the month. This form is signed by both the trainee and the trainer.

In the middle of the 19th century the passenger pigeon outnumbered any kind of bird on the North American continent.

**This is Our Policy... on DELIVERIES, PRICES, TRADE-INS, FINANCING, ACCESSORIES**

When a manufacturer produces a car so obviously ahead of the times as the Futuramic Oldsmobile, it's only natural that demand for that product should break all records. Add to this today's pent-up need for automobiles—plus continuing shortages of steel and other critical materials—and you'll see why we have a real problem on our hands. We value the good will of all our customers. We would like to provide all our customers with new Oldsmobile cars. But unfortunately, this can't be done overnight. That is why we are taking this opportunity to reaffirm publicly our POLICIES ON PRICES AND DELIVERIES. We believe that under present circumstances these policies constitute a sound basis for "fair play" to everybody. And we hope that, on this basis, we may continue to serve you.

**OLDSMOBILE PRICES DELIVERED IN BRIDGEPORT**  
Including GM Hydra-Matic Drive, De Luxe Radio, Condition-Air Heater and Defroster, Solenoid Starter, Windshield Washer and Group "B" and "C" (All of which are optional equipment)
