ANSWERS TO QUESTIONS

By HABRIN

Q. What states contribute the highest and lowest sums to the federal government's revenue from income taxes? -C.-C. A. New York contributed the most in 1947, and Wyoming the

Q. How far north in Africa did the King and Queen of Eng-land go in their tour last year? R. O. A. The royal family landed at Capetown, South Africa, and traveled as far north as Victoria Falls on the Zambesi River.

Q. What celebrated writer beside Amy smoked cigars? L. L. A. George Sand, the French author. She was described as "sitting in cafes, dressing like a man and smoking long clagars." She also appears to have been a pipe-smoker as shown in Alfred de Musset's sketch.

Q. What is the date for the establishment of federal law enforcement? V. O. A. A. Federal law enforcement dates back to Sept. 24, 1789, when the office of the Attorney when the office of the Attorney General of the United States was created by Act of Con-gress, and Edmund Randolph was appointed the first Attor-ney General by President Wash-ington. The Department of Justice was not established un-til June 22, 1870.

Q. Where did the early settlers obtain coal? G. D. R.
A. Coal was imported. A total of 183,677 bushels was imported in 1790 Actually some domestic coal had been mined, or rather shoveled. Some was dug up in Spotsulania up in Spotsylvania, Va., and more was discovered in the Pittsburgh area. All this was bituminous coal. Though seams of anthracite had been discovered many people insisted that it was not a fuel.

Q. What is the origin of the saying, "By rule of thumb"? F. C. L.

A. The distance from the tip of the thumb to the first joint, and from the tip of the thumb to the second joint was used as a primitive means of reckoning size. From this old custom comes the phrase "by rule of

Answer to Question No. 1

Only slightly, and then mostly only because good qualities tend to go together. Little work has been done on this, but remembering faces is probably due to sense of "spatial relations"—size, form, distance, etc., even color, while remembering names is probably due to a good mind for thinking in words and symbols.

Answer to Question No. 2.

If it is mere youthful infatu-### A constant of the constant soys (paraphrased): "Infatua-tion, you wish to satisfy your own desires and happiness, but KAR-House Party. KGER-Garden School. Band.

EPOX Little Country in true love your deepest desire orth.

is to satisfy the desires and fulfill the happiness of the lover or mate." I believe, boys, that RFI-Front Page Far-EFOX Down Homes, answers your question.

Answer to Question No. 3

AC-News, Sports I-Road of Life, IPC-Serenade, CA-Ladier Be Yes. By putting sheep and chicken killing dogs in pens with sheep and chickens so they ESTATE THE PART OF trol it, is one of the best ways to conquer it. ON BRIDGE

WE HAD THE pleasure recently of being the guests of Mrs. Margaret Oltmer at her home

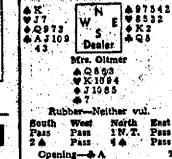

at Lake Hopatoons, N. J. Mrs., Oltmer's granddaughter, Miss Joanne Phiuger of Miami, Fla, has been making a name for herself as a trapshooter, and

herself as a trapshooter, and she is pretty good at the game of bridge.
Today's hand is one that I played with Mrs. Oltmer during our stay at the lake: I had told her that my no trump bids were very good. She had quite a problem with the South hand when I opened the bidding with one no trump. She did not want to pass; she would not bid no trump. she would not bid no trump with a singleton, so I think she made a good choice in bidding two spades.

I decided against putting any

Moltenney

♦ AJ 10 ♥ A Q 6

more pressure on her, she had passed originally and kept the bidding open for me, and furthermore I did not think she would dere to hid spades on the type of four-card suit that she held. However, I still think it was a good hid.

was a good bid. West took the first trick with West took the first trick with the ace of clubs and continued with the jack. Mrs. Oltmer won in dummy with the king and discarded the five of diamonds from her own hand. At this point, she led the six of clubs. East should have discarded a heart, but he did not. He let go the deuce of diamonds. Declarer trumped with the three of spades, led the six of spades, West played the king and dummy's ace won. Mrs. Oltmer knew, now that all of the spades were in the East hand. were in the East hand. She cashed the ace and queen

of hearts and led the third heart, winning in her own hand with the king. When West showed out, declarer led the ten of hearts, discarding dummy's four
