## MEKENNY ON BRIDGE

By WILLIAM & MCHENNEY During the world champion-sings mixed team-of-four contest at Chicago, I was sitting beside Mrs. Virginia Harms and William McGhee of that city, when board No. 56 came to their table. McGhee had a great deal to do with bringing the mational with bringing the national tournament back to Chicago and he is one of the fine card play-

ers of the Midwest.

The development of the play on this hand by Mrs. Harms was interesting. The bidding given is exactly as it occurred at the table. On the opening lead of the nine of hearts, the ten was played from dummy and East covered with the king. Mrs. Harms won with the ace and played low and declarer went up with dummy's queen, came back with the five of spades, putting on the lack from her hand and West winning. West returned the queen of

clubs, Mrs. Harms, played the

king from dummy, East played the ace and Mrs. Harms trumped it. Now she led the ace of dismonds. West, not realizing that maybe he would have to unplayed the nine. Then Mrs. Harms cashed the eight of hearts and took two more rounds of hearts in dummy, discarding a diamond from her hand. Next she led the eight of clubs and trumped it, thus stripping her hand and dummy of hearts and clubs, A diamond was led. West had

to win, and had nothing to re-turn but a club. Thus Mrs. Harms was able to discard dummy's losing diamond and make five odd for a top score on the board.

Remember that in tournament bridge, it is the extra trick that counts. At the other tables, most declarers, after picking up the trumps, cashed out the hearts and ruffed the club, then laid down the ace of diamonds. Naturally Wost was smart enough to unblock the king of diamonds and the hand was held to four-

costs. To get your copy address Dr. A. E. Wiggum, care of the aswanaper. Include a stamped of the aswanaper addressed setting an addressed setting any stamped of the setting of the setti
