Ünliy. sul Schissier,

We need people of faith and fire to shake us free from a deadly creeping paralysis which constantly threatens (us)—a paralysis induced by the easily acquired habit of looking to someone else to solve our problems Terry Wickham, president, Hei-

delberg College in Ohio. Nothing stands today between

Europe and complete subjuga-tion to Communist tyranny but the atomic bomb in American possession. -Winston Churchill.

Christians must either serve the needs of all God's men bet-ter than the Communists or else prepare to yield ground to

them.
—Dr. Ralph E. Diffendorfer, secretary, division of foreign missions, Methodist Church.

Sen. Soaper Says: By H. V. WADE

Who now remembers Pauline

The prophet who tried predicting big-time football scores has returned to his earlier frustration: Understanding women.

Some are saying now of Franco that he isn't such a bad guy. True, he can worry you more as a neutral than as an enemy; but we all have our

A great stillness descends on the ball parks, once occupied by the raucous followers of base-ball; also, those of H. Wallace, thought for a time to be a candidate for President.

The passing of the last of the Ingersolls of dollar-watch fame has been fully and appropriately commented upon. Now for the winding up of the estate.

A Tokyo dispatch tells of Jap brandies and whiskles distilled from onions. Further research

will doubtless develop a beer, for crying into. In the case of the Tennessee

second-grader married to a citizen 56 years old, who signs the report card?

LONG BEACH (CALIF.) PRESS-TELEGRAM WEDNESDAY, OCTOBER 20, 1948 Let's Explore Your Mind

UNCOMPORTABLE ? YOUR OF Answer to Question No. 1

Be a "perfect housekeeper." Man evolved as a fighter, fisher and finish college by 18, 19 and and hunter. It's amazing he ever 20 if they only realized, as became much of a gentleman, shown by Ohio University psy To put this naturally wild animal into a "perfectly kept" can't lean his head back on his chair lest he soils the cerise tapestry, etc., is asking a bit too of the serials, who survived a peril a week instead of hourly, like U. N.?

The second year. Baby specialist Benjamin Spock says after the first weeks of anxiety about feeding, etc., mother feels pretty well in control until the second year. Then she has a running, fighting, wild animal on her hands. Dr. Spock thinks the nursery school the best solution. solution. Answer to Question No. 3

Immensely wise. Students, aided by parents, would do

everything possible to through the grades, high school chologists S. L. Pressey, that students graduating from column house where his wife has to put lege at these ages make far. newspapers under his feet if he more money and reach high. lies down on the sofa, where he positions in life far oftener than those of equal ability who either dawdle along or are prevented by circumstances from graduate. ing at 21 or later. Bright children should get through the grades in six years. Eight years is merely for average and slow, or lazy learners.

HOW TO WIN AN ARGUMENT

HOW TO WIN AN ARGUMENT

By Albert Edward Wiggars, D. Sc.

Presenting the scientific findingsbased upon the study of 20,000 interviews.

Six practical principles are explained.
This booklet should prove immerse
practical value to businessmen and
women, asleamen, lawyers upon request
contact the public. Sent upon request
include self-addressed stamped return
and the public for the formal principle
and 15 cells to cover principle

No Rockets **Get Above Gravity Pull**

By HASKIN

Q. Has a rocket ever gone be-ond the earth's gravitational-A. So far, man has not suc-

A. 50 far, man has not sue-ceded in sending a rocket be-yond the gravitational pull of the earth. Such a rocket would have to travel at a speed of 24,000 miles per hour.

Q. What is a water table? Is there danger of underground water being used up? E. S. M. A. Water table is the varying level at which permanent water

is found. It is only a few inches below the surface in swamps, but generally several swamps, but generally several hundred feet below the surface in deserts. Like coal and oil, water can be taken out of the ground faster than it can be

Q. What is the nationality of Harold E. Stassen's parents?

A. O. R.
A. Mr. Stassen's father, William Stassen, is a German of Czech descent. His mother was born in Germany and has some Norwegian blood. His grandfather came to the United States from Austria in 1871.

Q. For whom was the city of St. Louis, Mo., named? B. J.

N.
A. The city was founded on February 14, 1764, on the site selected by Pierre Laclede for his trading post with the Missouri River Indians, under authority of the French governor of Louisiana. It was named in honor of King Louis XV of France, whose patron saint was St. Louis (King Louis IX of France, 1214-1270).

Q. What is the origin of the expression, "Them's my sentiments?" J. M. M.
A. The phrase is from Thackeray's "Vanity Fair."

Q. Is Japanese mink a dyed fur? J. B. L. A. Japanese mink, because of its yellow coloring, is generally dyed. It is a rather short fur.

Q. How long a period of training will be given to the men who are inducted into the Army News under Selective Service? H. R. KNX-Political, News. UR KNX-Political, VOK-Army Platters. J.

They will be given a physical examination and a preliminary interview. Subsequently, they will be given a physical examination and a preliminary interview. Subsequently, they interview, will go to one of eight training centers. Some, particularly those with prior military service, will then be assigned directly to units for training, while the remainder will stay at the centers to complete basic while the remainder will stay at the centers to complete basic training. After completing at the centers to complete basic training. After completing eight weeks of basic individual training, which is the same for a superior weeks of basic individual training, which is the same for a superior weeks of basic individual training, which is the same for a superior will either be continued on duty in the United States or sent over the

MOPSY

By BILLY ROSE ise to give her a raise. Her law-yer friend, however, kept jab-bering away about himself, and after a while I got the impres-sion that the girl was only say-ABOUT TWICE a month, I take ABOUT TWICE a month, I take my appetite to a happy little smorgasbord salon in the East 60s where the herring makes you cry and the spiced onions don't. Nils, the headwaiter, usually seats me a drool away from the circular hors d'ocuvre table, a waitress named Gretcha brings out the black bread, and for the next 60 minutes my inner man has himself quite a ing things to make me under-stand why she was stealing my tips. "Did Nils know what was go-

ing on?" I asked.

"Not until an hour ago," said

heard him bawl me out and, thinking I was going to lose my job, she stepped in and con-"Thanks for everything."

"How did her lawyer react?" I

"Like a real stuffed shirt,"

"Like a real stuffed shirt," said the waitress.

"She sounds like quite a gal," I said. "Let me get a refill of this Baltic antipasto and we'll go into conference about her."

When I got back to my table, Nils was there with the waitress.

"I couldn't help hearing what Gretcha was telling you," he said, a grin on his big Nordic puss. "Maybe she ought to drop in at the factory tomorrow, buy herself a blouse, and find out whether her friend would like to work here. We can always use an extra girl."

"That's a good idea," I said.

"That's a good idea," I said.
"A waitress here does all right for herself."

mother?" asked Gretcha.
"I wouldn't worry about it,"
said Nils. "Our emorgasbord
can cure anything."

Gretcha. Tonight the couple came in during the dinner rush and, seeing as how my tables were filled, he started to seat them some place else, but I ran up and told him I'd have a table inner man has himself quite a But when I entered the restaurant the other night, the fun seemed to have gone out of the place. Nils had Gretcha in a corner and was shouting at her up and told him I'd have a table free in a couple of minutes, and that I was sure they wouldn't mind waiting.

"But Nils, not knowing why I wanted the girl to sit at my table, told me to get back to my station and, when I tried to argue with him, he got mad and threatened to fire me. The girl heard him hawl me out and,

SMORGASBORD CURE

bing at her baby-blues with a hanky.
"Why the weeps?" I asked.
"Were you out when Stop the
Music phoned?"

"It's worse than that," said Gretcha.
"On your mark," I said, spear-

"On your mark," I said, spearing a stuffed egg.
"Well," said the waitress, "it began one night a few months ago when a young couple came here for the first time. The man kept fingering one of those thin gold watches like you see in the ads. and, to hear him tell it. gold watches like you see in the ads, and, to hear him tell it, he was a pretty important lawyer. The girl was attractive in a skinny sort of way, and I gathered she worked in a blouse factory and was doing the best factory and was doing the best she could on a blouse factory

salary.

"With a bottle of wine and our special Swedish pancakes, the check came to fifteen dollars, and when dimer was over lars, and when dimer was over lars. I saw the man put two singles under his bread plate for a tip. But when I went to clean up their table, the money was gone."

"The girl copped your tip," I said.

Gretcha nodded. "A few days Gretcha nodded. "A lew days later, they ate here again and the same thing happened, but this time I heard the girl say her mother was very sick, the doctor bills were high, and her boss had gone back on his prom-
