Q. Why are bats never seen walking about but only flying?

—G. R.

A. Bats move about almost exclusively by flying because their limbs and feet are not adapted for walking like those of most birds and insects.

Q. Is the legal age for making a will the same for women as for men in all the states?—
H. M. D.

A. For the most part, the legal age for making wills is the same for men and women. There are some exceptions. In Illinois the age is 21 for men and 18 for women. In Missouri a woman must be 21, although a man can will personal property at 18. Maine allows a married woman or widow of any age to will real and personal property. In Wisconsin, a married woman can dispose of property by will at 18 years of age.

Q. What is the distinction between the terms national flag and national ensign as used by the services?—S. W.

A. National flag may be used at any time to designate the Stars and Stripes, regardless of size or manner of display. The national ensign is the national flag flown by ships, boats and airships of the Navy, although the term is used otherwise.

Q. What is the average salary of stenographers in New York City?—G. M. A.

A. In New York the average weekly earning of a stenographer is \$43.37, according to a re-Mark Goodson at the age of 33 more than the Boodson pner is \$43.37, according to a recent survey.

He has six network quiz programs and is probably the most

successful young radio producer in the business. Among his shows are "Hit the Jackpot," "Time's Awastin'," "Winner Take Ali" and "Stop the Music."

But today Goodson's invisible realm, like the British Empire.

has its troubles. Comedian Fred Allen and the Federal Com-

munications Commission are threatening to stop the music of

programs which "buy the audience" by inducing listeners to

tune in chiefly in the hope of winning prizes.

Allen is currently engaged in a one-man war against the give-aways. He has posted \$5000

the term "giveaways"-are only nuisance programs that attract morons. "Audience participation shows

are about the oldest thing in radio," he said, "but only about 12 per cent of the network pro-grams can be classed as this type.

"They all aren't bad, and they all aren't successful. As many so-called giveaway shows to lead as have succeeded.

many so-called giveaway shows have failed as have succeeded.
"It's my honest belief that quiz show audiences are considerably above the national average in intelligence and educational background. "The shows are competitive

and appeal to eager, competitive people. Most people realize they have perhaps only one chance in 20,000,000 to win a prize. They tune in for the excitement and entertainment—and I don't think entertainment has to be 'ustified."

Goodson believes he will win what he calls his fight against "the Goliaths of the radio industry"
