## By Dick Turner Questions, Answers Modest Maidens

# By Jay Alan WHAT OTHERS

WE BUILD safer cars, tires and highways to provide the American motorist with every aid for safe driving, but there is one intangible we cannot manu-facture-even-tempered drivers. -James J. Newman, vice presi-dent, the B. F. Goodrich Comyany.

TODAY more than ever man-kind desperately needs free-dom from fcars of war and from threats of war in order to repair the ravages of the recent conflict and to move forward to higher levels of civilized exist-

-Former Secretary of State Cordell Hull.

THERE is not a man in this na-tion who can support a fam-ily on \$3.20 a day.

-Sen. Alben W. Barkley (D.) of Kentucky, asking for a higher minimum wago law.

THE horrors of the recent war are too alive in the minds of the people, and the social forces in favor of peace are too great, for Churchil's pupils in aggression to be able to over-come them and to deflect them toward a new war. —Premier Josef Stalin. Answer to question from 2 Yes. Be cause old Dobbin Yes. See cause old Dobbin Yes. See cause old Dobbin Yes. See old Dobbin Ye

IT IS THE existence and the development of a strong Army, a strong Navy and a strong Air Force that has encouraged me to say again and again during

### **HIGH VALUE**

NEW YORK. C.P. His royal high-ness in diapers, the Prince of Edinburgh, was born into a dying industry. It is the business of being a the railroad track. He can't chalk cause palaces don't have fences, bing a drager bing a They gave him a 41-gun salute at birth, but they won't even let birth, but they won't even let him play with firecrackers. Cer-tainly not on the 4th of July a thousand times more a year. And two thirds of the dime we are each giving to the UN this year will go to care for the refugees and displaced victims of that war. anyway. He will be surrounded by

He will be surrounded by equerries, foreign language tutors, dancing masters—all the red tape of royalty. But if he does break the palace's house rules, he shouldn't have to worry about his mother spanking him. Princess Elizabeth is president of the National Society for the of that war. Never has a more inflated price been asked for a more in-ferior commodity than war. Without being advocates of peace at any price, we can safely say that we are getting our ten cents' worth out of the United Nations, with all its imperfec-tions, and might even be pre-pared to go a mite higher in our expenditures for peace.— Christian Science Monitor. the National Society for the Prevention of Cruelty to Chil-Later as king—if he survives his ruleridden childhood—his chief duty each morning will be to call up the prime minister and

three of England's 59 monarchs "Whom do I greet today, boss, lasted 10 years or less. None ever got a second term. So it's hard to know whether and what uniform do I wear? Or have you written something you want me to read to Parliament?" And the best answer he can

So it's hard to know whether to send the bonny new Prince of Edinburgh congratulations or condolences. Poor little rich boy! He could go further as plain Mr. P. Edinburgh. For today "mister" is the best title on earth. It gives a man a chance to make a name and a fame for himself such as no king can enjoy. Ask Mister Churchill

can enjoy. Ask Mister Churchill -an ace above a king.

to suit each other.

Answer to Question No. 1

Answer to Question No. 3

ly Labor Review, reveals workers past 40 show less absentee ism, and have fewer accidents than younger workers. The high-est absentce rate is for workers under 20. Older workers also lay off far less for minor accidents. This is partly because their lives

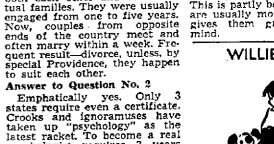

2. SHOULD ALL STATES REQUIRE ONE TO PASS EVAMINATIONS REFORE

are usually more settled, which gives them greater peace of

WILLIE WILLIS

I learned another big word today. It's satiety. It means you want to start bein' good again because you're fed up with meanness

Crooks and ignoramuses have taken up "psychology" as the latest racket. To become a real psychologist requires 3 years post-graduate work, following college. There are only about 2500 such psychologists in the U. S., and at least 35,000 quacks -some honest ignoramuses, many downright crooks. Your

county medical society or dean of the nearest college can us-ually supply names of compe-tent psychologists.

#### By HAL BOYLE

It is the business of being a king. And for the two-day-old heir-presumptive to the British neur-presumptive to the British throne—he's next in line after his mama—it doesn't look like business will be too good. The kid will probably grow up to wish secretly that he could drop that "Prince of Edinburgh" monicker and list birgself in the

JAY AL

monicker and list himself in the London phone book as "P. Edinburgh, public relations consultant.'

For—either as prince or king -about the only real job he will have is to act as salesman, madren.

have is to act as salesman, ma-jor domo and press agent for the British Empire. He will be only a symbol. And symbols don't have as much fun as people. Suppose after he is on the hot seat--the throne--he wants to throw a cocktail party for his social equals. Who'll he invite? Today there are barely enough kings to make three decks of kings to make three decks of cards-not counting the jokers And the best answer in our hope for is: "Nothing on the docket, kingie. Why don't you take the day off, and catch up on your stamp collection?" thrown out of their palaces in of the 64 countries listed in

Of the 64 countries listen in the 1947 Debrett's Peerage only 13 are ruled by kings, two by emperors, one by a shah. But 40 are headed by presidents. And presidents now pack more muscle than kings. One of the infant Prince of Edinburgh's dis-

infant Prince of Edinburgh's dis-tant relatives was a f am ous president — George Washington. But the little prince can't aspire to that office. He was born in the wrong place for it. He isn't exactly a barefoot boy with a crown. He'll inherit enough money to keep him in lollipops forever. But what a life he has to look forward to! He can't sneak off to the ole swimmin' hole with Q. What is the first instance of direct federal aid to the un-

stamp collection?" The young prince stands to in-herit a shrinking empire. With the Irish taking another walk and Palestine, Burma and India on their own, the king of Eng-land has less and less to protect. But if his ich another to have But if his job appears to have a diminishing future, it can also be shown it never was a particu-larly healthy profession in the

past Of the 59 men and women who

was beheaded — and one abdi-cated after marrying an Ameri-can grass widow. The job of being king isn't even as good as a post on the

11-16

the gloomiest weeks of the post-war period . . . that in my opin-ion war is not imminent. —Secretary of the Army Royall.
