By Jay Alan Questions, Answers **Jenny Lind's Grand Tour Drew 30,000** By HASKIN

Q. How many people welcomed Jenny Lind when she came to the United States for her grand tour? L. G. A.

A. Accounts of the singer's arrival in New York state that at least 30,000 people were assembled to welcome her when the ship docked. Tickets for her concerts generally were sold at auctions and \$650 was paid for one in Providence, R. I.

Q. What is the difference between the terms British Commonwealth and British Empire?

W. S.

A. Though the names are sometimes used interchangeably, strictly speaking, English Commonwealth of Nations refers especially to those parts of the empire that are fully self-governing nations. The term British Empire includes besides these, the various Crown Colonies, dependencies, protectorates, mandates, etc. It is interesting to note that Winston Churchill has used the designation "British Commonwealth and Empire." tion "Briusi and Empire."

Q. What was Bob Feller's record in the 1948 baseball season? M. G.

Q. How did the Blair House, now occupied by the President, get its name? L. M.
A. Dr. Joseph Lovell built the A. Dr. Joseph Lovell built the Blair House in Wasington, D. C., between 1824 and 1827. At the time of his death in 1836, the house was bought by Francis Preston Blair, who was editor of the Washington Globe. Blair enlarged the house, which later Dennis was a member of the underground or, if you want to get technical, an engineer on the New York subway system, and back in my aggie and immie days, he and his wife lived in the flat next to ours in a tenement on the East Side.

It had been years since I'd seen Dennis when he and his missus showed up in my stateroom on the Ile de France an hour before sailing time.

"Billy," he said, after the sonice-to-meet-you's, "how good is your memory?"

"It all depends," I said cauenlarged the house, which later was remodeled by his son, Mont-KHJ-Fulton Lewis Jr. gomery Blair. KMPG-Notebook. KFWB-Music, News. Q. What is

Q. What is the origin of the bronze temple bell at the Naval Academy in Annapolis? F. McP.
A. This bell, in its frame like Academy in Academy in A. This bell, in its frame was brought from Japan by Commodiat Market Hunter, KREER-Party House.

Academy in Academy in A. This bell, in its frame was small temple gate, was brought from Japan by Commodive Perry in 1854. It is rung only in celebration of Navy victories in football.

Q. Who is called "the typical American sculptor?" D. F. G.
A. Daniel Chester French is A. Daniel Chester French 16 Ch Americans.

Q. Can a major league pitcher be removed before he has finished pitching to a batter? H. B. M.

A. According to the Sporting News the starting pitcher must pitch until the first batsman has either been put out or has reached first base. A substitute pitcher must pitch until the batsman at bat, when he takes over, has either been put out or has reached first base, or the side has been retired. The KLAC-Don Otis. KFI-News.
