January weather-HI-V-I FLOWS FREELY!

Silence the cold "whoosh" of January winds with the comforting sound of a motor that turns over instantly. HI-V-I bathes car and tractor motors in a protective film of lubrication. It cleans as it lubricates, freeing motors of corrosion and

199

sludge. This cuts fuel consumption to a new low ... keeps motors ready for the "go" signal on the coldest January days.

For faster starts and better lubrication in zero weather, use HI-V-L the free-flowing oil.
