Sen. Soaper Says:

By H. V. WADE

This program calls for lifting the state's "mail box roads" out of the mud and equal education

just be satisfied to go back and make an ordinary living again."
A lot of politicians and business leaders wish he would. But they know that Big Jim

is likely to be a power in poli-

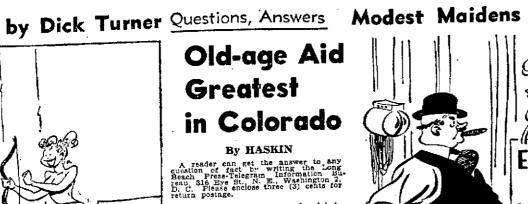

tics for a long time to come.
"The people want security,"
said Jim. "But first, and above

all, the people want to do what's

right."

He doesn't feel the "got rocks" do.

machine guns.

Q. What state pays the highest old-age pension? C. S. A. In August, 1948, the aver-

A. In August, 1948, the average old-age assistance paid by the state of Colorado—\$78.43 a month—was higher than that paid by any other state. Colorado also has what is known as a jack-pot payment. The amount remaining in the state funds from revenue set aside for the from revenue set aside for the payment of assistance to the aged is divided at a specified time among all recipients.

Q. Are there any poisonous snakes in the vicinity of Washington, D. C.? E. R. S.

A. The Smithsonian Institution says that the copperhead snake is the only poisonous snake found within Washington, D. C., and suburban areas.

Q. Who is the composer of "Hora Staccato"? Is it Helfetz?

J. P. A. "Hora Staccato" is not an original composition of Heifetz. The story is told that on one of his trips through Europe he of his trips through Europe he heard a Romanian violinist play this number. Helfetz was so impressed by its beauty that he immediately wrote down the music, in order that he might add it to his own repertoire. "Hora Staccato" is credited to a Romanian composer whose name is Dinicu.

Q. Please give the correct name of the astronomical device that looks like a skeletal globe. old enough to choose, you did R. P. K.

easier way. Because of your A. It is called an armilla or parents and environment and armillary sphere. clean and respectable. You haven't been sinless, but on the whole you have been decent and

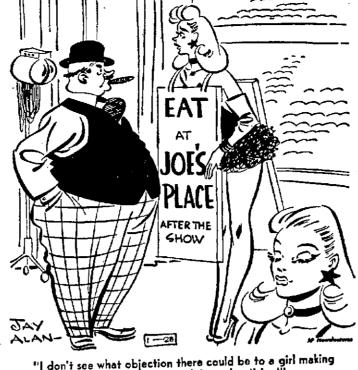

Q. How many basic shoe styles are there? C. B. T. A. The 16 basic shoe styles A. The 16 basic shoe styles of American manufacturers are sandal, balmoral, blucher, gore, jodhpur, monk, ghillie, brogue, d'orsay, shawl tongue, mule, straps, moccasin, boot, oxford and pump. On these all shoe fashions are based.

Q. When were Catholics for-bidden to become Masons?— C. C. W.

C. C. W.

A. In 1738, Pope Clement XII issued a buil against Free-masonry, enjoining temporal and spiritual communities against entering the society or spreading or defending its principles or admitting it is to their houses. early training made easy for him.
"You two were clay in the hands of potters. One potter made you fine and another potter made him repulsive.
"Don't hate him, Judge. Lock
him up because he won't obey admitting it into their houses, on pain of excommunication.

This was reaffirmed by Born the rules and can't be trusted at This was reaffirmed by Pope Benedict XIV in 1751, and Leo XIII in 1885. Pope Pius XI also reaffirmed his opposition to Malarge. But do it in pity. He is a cripple—a mental cripple. And it isn't his fault, for no man would choose to be like that."

"I don't see what objection there could be to a girl making a little extra money doing advertising!

HE'S STILL A PUZZLE

Alabama Folk Still Have Not Figured Big Jim Out

By HAL BOYLE

the earth has set this cradle of the Confederacy rocking.

Two years after they put him into the governor's chair on a tidal wave of votes, Alabama folks still don't know what to

folks still don't know what to make of Big Jim Folsom.

Some think he is a dangerous demagogue. Some dismiss him as an overgrown country clown on a political spree, whose antics joit the fame of fair Alabama. Others regard him as a kind of Twentieth Century Andy Jackson, raised up by the people to save them from the "got rocks"—the financial masters.

As of now, Big Jim perhaps

As of now, Big Jim perhaps doesn't quite fit any of these pigeonholes. But any comparison with Andrew Jackson flat-

"And I believe like he did.

Andy said, To the victor belong the spoils. What he meant by that was 'To the people belong the victory'. the victory'.
"If he had just meant that

the victor grabbed the spoils, Andy would have sold out him-self to the 'got rocks'. Well, he

1330

MONTGOMERY, Ala. (29) A didn't sell out. And Big Jim boisterous, gusty giant of ain't going to either." The 6-foot-8-inch, 265-pound governor is the most laughed at, talked about man in the

south today.
"What'd you think of him?" people here ask when you say you've met him. And they laugh as they ask—that is, the eduas they ask—that is, the edu-cated people do. What they

al opportunities for Negroes and white persons.

Being governor hasn't gone to his head in the least. He is to his head in the least. He is too smart for that.

"When my term's over," said Big Jim, "I'll go right back to my own little job—insurance. I never made more in my life than I do now—\$6000. And I'll just he catisfied to go back and

Even those who have a strong distaste for Folsom find it hard

to dislike him personally. He is as hearty, friendly, and winning ters him tremendously.

"My hero is Andy Jackson—
past, present and future," he litically at 40. He has the demogogue's gift of stirring up the

Big Jim has avoided one tactic sometimes employed by southern demogogues—the setting of race against race, white man agaist black.

"Nothing built on hate and prejudice can survive—not in a democracy anyway," he said.
