A reader can set the answer to any question of fact by writing the Long Baach Press-Triegram, information Bu-rout, 316 Eye St. N. E., Washington 2. Deligness, enclose three (3) ceals for seture relates the close three (3) ceals for

Q. HOW SOON after George Washington's death did the general observance of his birth-

day as a holiday begin? F. G.

A. Three months after Wash-

ington's death in 1799, Con-gress, in session in Philadel-

plus, adopted a resolution urg-ing that his birthday, Feb. 22, be publicly noted. This was one of its last acts before ad-journing to meet in the District

of Columbia. In succeeding years a few cities followed this suggestion but it was not until

the 100th anniversary of Wash-ington's birth in 1832 that the

entire country made the day a

A. Singapore is a British pos-session. When the new Federa-tion of Malaya was established

on Feb. 1, 1948, Singapore re-mained a crown colony.

REWARD

THE world situation is all fouled up. It always has been. It always will be. I see no reason for change. . . What we call progress merely increases our ability to do the same good and historian.

POLITICS and business are inseparably connected, and the kind of politics determines the kind of economic conditions under which we live. -Vice President Barkley.

MY REVIEW (of business for 1949) shows me there is no need to worry about the outlook. —Thomas J. Watson, president, International Business Machines Corp.

#### Sen. Soaper Says: H. V. WADE

AFTER DUE consideration, it AFIER DUE consideration, it begins to seem there's noth-ing wrong with the Taft-Hart-ley law that adding our Harry's name to the title won't square.

On the last visit to fair Harvard, cousin Winston was award-ed a doctorate, but no sweater, as you never know what an Connecticut survey 6 per cent of 5000 taxi drivers caused 72 per cent of the accidents. In De-Englishman will do with an H.

A plan to install dice games troit, 27 per cent of all traffic accidents were caused by seven-tenths of 1 per cent of drivers. A plan to install due gaines at Monte Carlo invites some dif-ficulty, as in translating "box cars" to "wagons a marchan-dise" or "40 hommes 8 cheavaux." If you have one auto accident due to your faulty driving you are almost certain to have more,

Scientist Haldane says of a British king, "If he Answer to Question No. 2 beheaded British king, "If he had been a geranium both parts would have lived." We had thought this was so of women sawed up by magicians. North American Newspaper Alliance

But a bottle disappeared in five

minutes. "After Klondike Kate came to the gold fields, life throbbed a little sweeter. We never learned how much gold she sent back to the states...."

After the gold camps dried up and the big cities came, Tom Carson settled in Nome. The bars were good. The years passed. 'Then, one day, came that unaccountable decision to visit big race

visit his niece. . . . I know what you're thinking. You're wondering if Tom Car-son came back, and slipped that envelope under the door.

ror this reason, Carson said, he just had to have a small loan until they got here. "To get a meal, and tidy up," he said. "If you'll let me have it," he Yes, he did. went on, "you can have it back first thing in the morning. I'll

3-2

find it here." Carson, at 75, is a bird-like little man whose shirt hangs on him like blistered wallpaper. His Adam's apple flutters like a stricken dove. On and on his voice runs, like Tennyson's brook, until it drowns you in a wave of anecdotes, dates, names and places.
