Tokyo Mystery Story

THERE OUGHT to be some of Japan and the Far East must thing more to the story of

Army Secretary Royall's hasty visit to Japan early this month than the current debate of press association correspondents as to whether he did or did not say the United States is thinking about calling home its occupation forces.

All of the correspondents do agree that, whatever Royall may have hinted as to immediate policy, he did point out that Japan would be of little strategic value in case of war; that while we would have to feed 80,000,000 Japanese, we could not count on their loyalty; that we have no obligation to defend them; that Okinawa and other islands would serve better as bases, and, anyway, the defense
