#### Some of Cecil Abel's Best Sen. Soaper Says: Friends Are Cannibals

By GEORGE TUCKER

NEW YORK, (A) Some men left. Navy in 1943 ought to be good. Radio Star Lanny Ross brought What made a hit with the

**Modest Maidens** 

their war in the Pacific, but for the public in 1949, he reasoned. So he said to Cecil Abel, the

missionary at Kwato, New Guinea: "Cecil, I'd like to have you on

suspected here of Soviet ties, is my program some time. That is, if we ever get back."

Cecil Abel is a 46-year-old
Anglo-Papuan whose idea of

running a mission is unortho-dox. He doesn't know what denomination he is supposed to be. His idea of saving souls isn't just teaching the natives to sing hymns on Sunday, and going to

church.
"We don't bother about forcing the native belies into civilized sweaters and slacks," he says, "I guess you'd say our job is to straighten out their thinkits it with a vitamin which prevents halr from turning prema-turely gray. But, doesn't it make it hard to take the hat

In the straighten out their difficults.

"Well, back in the mountains. I remember an old lady they killed in 1940. They offered me a taste. Long pig, they called it. I tell you, people are mighty good eating."

good eating.
"Oh, of course, I haven't eaten any myself. But I've eaten lots of dugong. That's seacow. A chief once told me there was absolutely no difference in the taste of people and dugong. Maybe dugong was a little ten-

"As for head hunters—a a quick way to make a head hunter mad is to call him a cannibal. They abhor human flesh.
They only decapitate you, The
cannibals are sort of looked
down on by the head hunters."
The Kwato mission was start-

The Kwato mission was started 60 years ago by Abel's father, who survived head hunters for 40 years and went home to England, only to be killed in an automobile accident.

"I remember my father holding me up when I was a little lad. He was showing me to the cannibals and he cried. "Here's the young man who'll head this

### Free Book Reveals **How Science Helps** Hard of Hearing

What science now knows about the causes of deafness and what can be done to help overcome it is the subject of a free booklet offered to the public by Western Electric. The booklet is fully illustrated and written in non-technical language that is easy to understand.

#### **ENCOURAGING FACTS**

Based on research at the world-famous Bell Telephone Laboratories, "Modern Science and Your Hearing" tells about the recent advances of science in solving hearing problems and offers hope and encouragement that many hard-of-hearing people may live happier lives.

#### NEW EDITION AVAILABLE

Current demand for this popular booklet is drawing heavily on available supplies, but a new edition is being printed. A free copy of this interesting and helpful booklet will be sent to anyone with a hearing problem, or who has a friend who is deafened. Those interested should write immediately to Western Electric, Dept. 380-13, 195 Broadway, New York 7, N. Y.
