## FUNNY THING about this trade in the New Guinea interior. It knows nothing of arithmetic, Let's Explore Your Mind

### By ALBERT EDWARD WIGGAM, D. Sc.

CONQUER YOUR FEARS

THE CONQUEST OF FEAR

POOR PA

In Boston a safety crusader is disappointed in the new model motor cars. The hood, it seems, is too high. Also it is still necesto wash dishes. Since men tend it is barely possible they may re-

concoct some one or two dishes. Ever try 'em?

Answer to Question No. 2 Surely. I dictated a telegram to a Western Union girl and used the words "emotional sta-bility." She spelled it "stay-bility." That's right. Staybility is what the word really means. When the Kingfish speaks of the "Psychopathic moment" I think that would be better for describing the conduct and de-cisions of many people-eenecisions of many people—espe-cially neurotics. They all seem to decide things at the psycho-pathic instead of the psycho-logical moment. Maybe you can the back of the participation of the psychothink of other words that would be better if spelled what they really mean.

Yes, at least far better than the driver himself can. Some
