TULIUS KATZ-SUCHY, Polish of that estimate, Katz-Suchy was the delegate to the United Na-born at least 600 years too late. San Francisco Chronicle. tions Économic and Social Council, did his substantial bit toward broadening the chasm beween East and West when he described Gen. John R. Hodge as the "Gauleiter of Korea." We are not informed whether Katz-Stichy registered surprise or complacency when the American delegation promptly walked but of the meeting, to return only when the Pole had finished is speech. But we can estimate fairly accurately the degree of civilization of the representative of a foreign nation who would rise in an international session dedicated to the furtherance of human dignity and understanding, and call a high representative of another sovereign nation A Nazi gang boss. During our talk you said you were anxious for American busi-nessmen to invest their capital and know-how in Argentina. Well, here are some of the ques-tions our people would like an-swered before they buy their boat and plane tickets: 1. What protection would our businessmen have against pro-hibitive price control, govern-

businessmen have against pro-hibitive price control, govern-ment-controlled labor unions and expropriation of their plants once they got them going? 2: How free is your press and your raddio? Has any com-mentator on the air or in the press oriticized you or your courmentator on the air or in the press criticized you or your gov-ernment during the past six months? And if not, isn't it due to the fact that certain individ-uals intimately associated with

And now for a leading ques-tion: Is the young man named Freudi, who heads your Palace Guard Secret Service, the son of the Freudi who heads the Allied Black List as the No. 1 Nazi in Black List as the No. 1 Nazi in Argentina? Is it a fact that young Freudi directs a force of 5000 secret agents, 1500 of whom are assigned to the post office to read all important incoming and outgoing mail? Can you deny that practically every tele-phone which where yield incom phone which might yield infor-mation is tapped by these agents, including those of all foreign embassies, those belonging to foreign correspondents, and those of all important visitors? Answer to Question No. 1 Yes. Before the First World War a German scientist studied the appearance of 180 couples, married an average of ten years. Of these, 47 couples were judged both by themselves and relaof imaginary effects due to his fears. Watching how you feel wild often cause a lot of feelings you otherwise would not have. It is tives to look very much alike. Some were also closely alike in posture, gestures, tones of voices, and laughter. The similar cou-ples averaged much higher in happiness than the dissimilar ones. This agrees with numerous other studies in U.S. and Canada.

# THE JUDGES ARE WORKING OVERTIME...

Yes, Sir . . . judging 1838 separate entries is quite a task! However, our judges are on the job and will come up with a decision in time for the Sunday ediz tion of this newspaper. Our judges, Mayor Burton Chace, P.-T. A. President Mrs. Charles F. Reed, Supt. Joseph Kennick of the Juvenile Bureau, Walter Scott, head of the Recreation Commission and Chief Life guard "Cap" Miller, are working hard to pick the best name out of a host of fine entries.

C
