By HASKIN A reader can get the answer to any question of fact by writing the Long Beach Press-Telegram Information Bureau 31s Eye St. N. E. Washington 2. D. C. Flease enclose three (3) cents for return postage.

Q. IS WORLD WAR II considered to be officially ended by Great Britain? W.E.S.

A. In Great Britain the of-ficial termination of the war in Europe, 1939-45, is given as May 9, 1945, and the official termina-tion of the war in the Far East, Aug. 14, 1945.

Q. Can an airplane travel as fast as a bullet? T.R.O.

A. When the Navy's experi-mental jet plane, the Skystreak, mental jet plane, the Skystrak, set a world record by flying at 650.7 miles an hour in 1947, it traveled as fast, approximately, as a .45-caliber pistol bullet. By September, 1948, a greater speed —670.98 miles per hour—had been attained by the Air Force.

What are the scientific names of the smallest and simplest known animals? T. K.

simplest known animals? T. K.
A. Dr. David H. Johnson,
associater curator, Division of
Mammals of the Smithsonian
Institution, says that "The
smallest known living mammal
is the shrew (Suncus etruscus)
of the Mediterranean region.
The most primitive living mammals are the monotremes, including the platypus (Ornithorhynchus anatinus) and the
echidna (Tachyglossus aculaetus) of the Australian region.

Q. What gives rain its pleasant odor? M.C.J.

A. Rain has no odor, but in falling it purifies the air. Often electrical discharges accompany rain and produce the gas ozone which has a delightful, fresh

Q. What is the term applied to the rays of light that are seen when the sun is popularly said to be "drawing water"? L. A. S. A. These beams of light which are often seen especially in a are often seen, especially in a hazy or humid atmosphere, are called crepuscular rays. They are actually parallel, their apparent divergence being the result of perspective.

Q. What inscription did the poet, Thomas Gray, write for his mother's grave? S. R. nis mother's grave? S. K.
A. This was an inscription to
the "Careful, tender mother of
many children, one of whom
alone had the misfortune to sur-

BATTLE IN ISRAELI

## 40 Ousted 400 in Fight for Arab-held Fortress

"I think Eddie plays baseball very well for a guy that never even

By Billy Rose

the Middle East, and there around Galilee." Col. Pearlman, head of the Israeli office of information, as: signed a car and a member of Israeli truck tanks flopped over

signed a car and a member of his staff to show us around. The gasbuggy was a Chevrolet that had seen better decades, but our guide, a Capt. Lionel Peyton, had a Bond St. accent and a Downing St. air.

"I don't get it," Eleanor asided, as the well-mannered officer helped her into the jalopy. But a few questions later it was all

a few questions later it was all clear—Peyton hailed from South Africa and had spent the war years in the British army.

A mile or so out of Tel Aviv, we began charging that

we began chugging past thou-sands of uninhabited and habitsands of uninnabled and habitable acres, green as anybody's Technicolor valley and dotted only occasionally by houses.

"This is something I didn't expect," I said. "I thought Israel had all the people it could handle."

Peyton smiled. "If you think this is sparsely settled," he said,

cost a lot of blood."

"Quite a bit," said the captain, "but we had no choice. Our good trucks had to get through to Jerusalem.'

There was something personal about the way he said "we," and so I asked him whether he had taken part in the attack.

Peyton nodded, "I was in

charge of the task force."
"How many Arabs were holed up in the fort?" asked Eleanor.
"About 400."

force?" said the captain.

TEL AVIV was our first stop in "wait till you see the country

ひとく かたりだけに きょうしょ

Halfway to Jerusalem, we passed quite a few burned-out on their sides. "The Arabs commanded the hills on both sides of the road," said Peyton, "and for a while our blokes had a rough time of it."

On an elevation a few hundred yards further on, we passed

yellow sandstone fortress, a ty block square, that looked a lot like the garrison posts we had seen in India. "Knocking that one off," I said, "must have

"How many men in your task

> IT IS MY INTENTION and that of President Truman and Congress to keep plenty of powder and keep it dry. We must remain the strongest nation in the world if peace is to be effectuated and perpetuated. -Speaker of the House Sam. \_ Rayburn.

TO FURNISH (CHINA) solely military material and advice

would only prolong hostilities and the suffering of the Chinese people and would arouse in them deep resentment against the United States.

Secretary of State Dean Ache-

"Forty-one, counting myself."

"Isn't there an old military rule of thumb that the attacking army must outnumber the enemy three-to-one?" I asked.

"This was a curious war," said Peyton, "and I'm afraid we had yery little time for statistics."

Peyton, "and I'm afraid we had very little time for statistics."

"What kind of artillery did you use?" asked my missus.

"Sticks of dynamite." said the captain. "Stuff we made in our cellars and attics."

"Tell me about the battle," I said the captain with said the said t

"Tell me about the battle," I said.
"It was a rainy night," said Peyton, "and we attacked around 1 a. m., partly because we didn't want the Arabs to know how few we were, and partly because the Oriental doesn't care for hand-to-hand combat in the dark.
"Our first 12 men got as far the walks but they couldn't to be able to do as you

dark.
"Our first 12 men got as far as the walls, but they couldn't get the makeshift fuses on our dynamite to work—the rain No, to be able to do as you please impairs your personality. The Personality Test devised by psychologist Henry Link and Assection of the property of the prop dynamite to work—the rain kept putting out their matches and cigaret lighters. Arab riflemen cut them down, and so I sent up the next 12. Well, the same thing happened to them and the dozen men who followed them. Then, while we were wondering what to do next, the Arabs abandoned the fortress and I took over."

to bed on time, etc. They not only had better personalities but and I took over."
"With four men?" asked

Eleanor.

"Five," said Peyton, "including myself."

"Why did the Arabs run?" I asked.

"We couldn't understand it ourselves," said Peyton, "until the next morning when one of our patrols broght in a rifleman who had fled from the fort. One of my men who spoke Arabic questioned him, and he told us that after the third attack their officers had conferred, decided ginger and all were pop-eyed! No, dear readers, mothers canofficers had conferred, decided we were crazy, and that it was only a question of time before somebody got the dynamite lif. And the intelligent thing was to got out before they were all EVEN though statistics show the get out before they were all blown to bits." home to be the most hazard-ous place with reference to accidents, it isn't nearly so embar-rassing for a person to fall and

"I guess," said Eleanor, "the Moslems had heard the punch line of the old joke—'A fellow can get killed around here..."

break his neck in the privacy of his home as to do so in public. (Copyright, 1949, By Billy Rose) —Oakland Tribunc, (Released by the Bell Syndicate, Inc.)
