Q. What are the four extreme points of Europe?—L. McE.
A. Cape Nordkyn is the most northern point, Cape Tarifa in

Spain the most southern, Cape da Roca in Portugal the most western and a spot near the north end of the Ural Mountains (60 degrees 20 minutes E.) the

Q. What is the origin of the "Philadelphia lawyer?"-A. There are many different

opinions as to the origin of the expression: "It would take a Philadelphia lawyer to straight-

en it out." John Peter Zenger, proprietor of a newspaper of

Albany, was indicted for crim-inal libel, and was successfully defended by Andrew Hamilton,

a Philadelphia lawyer, in 1735. The case was epoch-making, as Hamilton established for all

time the principles of free press and free speech, to which the law of libel should be forever subservient. The New England folk have a saying: "Three Philadelphia lawyers are a match for the very devil him.
