Nora's husband can't pay for the fine home he bought her, so she's tryin' to decide whether to get a smaller home or a bigger husband.

J. D.

documents referred to are not books of the Bible and never have been, and scholars have had them in their possession for more than a hundred years. The incorrectly designated "Lost Books of the Bible" are simply the books of the well-known Apocrypha and certain other writings. They have been read-ily accessible for at least a century,

'Lost Books

Q. In how many places in the United States does the flag regu-

larly fly day and night? R. S. Y. A. There are six places where They are: East and west fronts of the Capitol in Washington, D.

of the Capitol in Washington, D. C.; the grave of Francis Scott Key, author of "The Star-Spangled Banner," in Mount Olivet Cemetery near Frederick, Md.; Fort McHenry, Baltimore, Md., the birthplace of the na-tional anthem; the World War I momental at Nearont Marg memorial at Worcester, Mass.; Taos, N. Mex., to commemorate the Civil War incident in which a group of Taos men including Kit Carson in defiance of South-ern sympathizers nailed a United States flag to a pole and declared States flag to a pole and declared it would stay there day and night; and Mt. Slover, Colton,

> Q. How much of the total cost of the Washington Monument was contributed by the public?

A. The cost of the Washington Monument was approximately \$1,500,000. Of this sum, the pub-lic contributed \$300,000.

TODAY AND TOMORROW

Five Years Ago This Week "See you in St. Lo," he laughed at the end of a confer-the end of this battalion. "See you in St. Lo," he laughed at the end of a confer-the attack. It became the di-**Soldier Legend Was Born**

They recall better the rough bark feel of a tree they hugged. They remember a ditch they

NEW YORK. (#) Five years ago this week many thousands of Americans went for a cross-country walk. And every field they passed made them a year older. It happened on another conti-nent at a place called St. Lo in a thing called a war. In that tried to solve its troubles through warfare, NEW YORK. (#) Five years ago more than they ever feared to leave their mother's arms. In those days there was no such thing as a landscape. There was the world you knew on this side of a hedgerow. On the other side was another world--an unknown terror. And every hedgerow safely passed was the common had lines of the The Germans had lines of fire

through the hedgerows. They defended them mathematically and fanatically, with skill, with guns, with blood.

It was a noisy time. The lit-tle guns chattered all day, and the big guns har-r-umphed all night, like giants clearing their throats. In the hazy skies great fleets

By Jay Alan WHAT OTHERS ARE SAYING

IN A society as complex as ours, adolescence crises don't end in the teens, but recur and hecause many people recur rectir because many people, probably the most gifted and the best, continue to develop-and actually die-immature. -Margaret Mead, noted anthropologist,

IT SEEMS THAT for the pres-ent we are compelled to await the coming of that time, if it ever comes, when one na-tion may trust another . . . so that it will not be necessary to harbor a secret weapon and pro-tect it against coming into the possession or the real knowledge of any enemy nation. -Vice President Barkley.

GOD SEGREGATED the races,

and no law passed by Con-gress or the Georgia legislature will supersede God's laws. —Grand Dragon Samuel S. Green
