On the Air Waves

Siragusa, Admiral Head, **Turns \$3400 Investment** Into TV Producing Giant

By WAYNE OLIVER

NEW YORK, Oct. 17. (AP) Every new industry produces its own success stories and here's one in television— Ross David Siragusa.

The 43-year-old president of the Admiral Corp. of Chicago started the firm with \$3400 of capital in 1934. Today his company has listed assets of \$19,000,000.

Set Sales Show

Good Comeback

By WAYNE OLIVEB

Furthermore, Admiral is joc-&keying with the giant Radio Corp. ployes of the old company of America and Philco Corp. for scraped together \$3400 and set up shop in the corner of a friend's garage.

duction.

Admiral, in fact, has proclaimed itself the No. 1 video set producer. Its claims have not yet been challenged publicly by compatitions. Admiral in fact, has proclaimed their big boost in the electronics business with a \$9.95 radio, several dollars below prevailing prices. petitors, most of whom do no re-prices.

Associates and competitors say one of the chief reasons for the sucess of Siragusa's company is its ability to make quick changes to meet changing situations in the volatile radio and television set. volatile radio and television set

New developments, price drops and shifting public preferences make the radio and television and television. make the radio and television set business a constant gamble. A manufacturer can be sitting on top of the world one month and be caught on top of a big stock of unsold sets the next.
"Our ability to meet this ever

changing situation fast" is only one of the factors Siragusa credits for Admiral's success, but he says it has been a major one. MAKE QUICK CHANGES "Like other companies, we set only sound with no pictures-are

up production schedules for our staging a comeback in public various models. But if we find favor.

one is going over better than expected and another is backing up on us, we revise our schedules—and fast."

After slumping to a postwar low during the summer, radio set sales are climbing sharply and fast."

and manufacturers report short-with a small but high-geared ages or prospective shortages in executive setup. Admiral can change models or schedules with-out long inter-departmental hud-out long inter-departmental hud-one in television but it makes dles or waiting until plans go manufacturers happy because through channels. they still produce about three

Siragusa can walk up to an assembly line and say: "Okay, boys, shut her down. We're starting as of now on a new model."

But the youthful manufacturer in the youthful manufacturer in the youthful manufacturer in the youthful manufacturer. It country, and not confined to areas still without telemphasizes that's only part of the youthful manufacturer.

emphasizes that's only part of the vision. It seems that even with ture. a television set in the house, the "One of the most important family still likes to have a good

factors has been the tremendous radio around—or several of them amount of advertising—a good Production in August, latest part of it in newspapers."

amount of advertising—a good part of it in newspapers."

Admiral keeps very tight control on its inventory and attempts to hold it each month to three-quarters of a million sets. Inventory at the end of August was \$6,000,000 and sales for the ures for September and October are expected to be even higher. month \$9,000,000. And the com-pany tries to keep both its inven-Much of the renewed radio and working capital turning buying is running along the lines 10 times a year.

buying is running along the lines of the R. M. A.'s own recent came over 10 times a year.

The company has no bonded paign for "a radio in every room debt and, consequently, does not have to take part of its earnings the family." A lot of folks are to may interest.

Siragusa, slightly above medium, height, dresses in quiet good taste and there is little in his appearance to set him apart from any other young executive. Jack Benny WENT BROKE ONCE

He was born in Buffalo, N. Y., of parents who had come from Italy two years earlier in 1904, and become naturalized citizens. Jack Benny finally will part When, he was 2 years old, the family moved to Chicago where he received his education, got his hospital yesterday - after his start in business and still makes broadcast to rid himself of a

Starting at age 17 from a workshop in the rear of his father's will be a simple one and Benny shoe store, young Siragusa' in will be home in a few days. four years had built his Transformer Corp. of America into the biggest of its kind and turned down an offer of over \$5,000,000 for the firm, of which he owned at 8 p. m. will show the filmed half. Five years later, in 1934, version of the professional foothe and the company were both ball game between the Los An

Wealth of Stage Talent Gives New York Edge as Television Capital of U. S.

By WAYNE OLIVER

NEW YORK, Oct. 17. (A.P.) Hollywood and New York eem likely to share honors as twin television capitals of the nation.

You can find wide ranges of opinion among telecasters, producers and actors. Some emphatically predict New York will be the video mecca. Others hold out as staunchly for Hollywood.

work television shows.

If you average the extremes and mix in the middle ground opinion, it comes out this way: Because of the wealth of stage &

and night club talent in New To take part in network tele-York, it will continue to be a vision, Hollywood's actors would Major video production center, have to move to New York or particularly for dramatic shows Hollywood, with its movie col. That would eliminate or seriouslyony and tremendous film production facilities, will originate pos-tion facilities, will originate pos-ties. Yet a few have done that ties. Yet a few have done that, including William Gargan, Philip Reed, Nell Hamilton and Conrad sitly as many as half the net-Nagel \

Substantial numbers of programs probably will come from Chicago, Washington and other talent and news centers. However, Hollywood's contribu-tions have been by no means negtalent and news centers.

The situation may well parallel that in radio.

The lack of a network connection with the Pacific coast and an early concentration of stations and sets in the eastern half of the country has made New York the unchallenged television capital so far.

However. Hollywood will be

However, Hollywood will be Likewise, Broadway's theatrical come an increasingly important colony has made a far greater factor well before then. contribution to television's pro-independent producers are turn-grams than Hollywood. It pro-ing out movies made specifically vided an accessible source of tal for television, although the major ent readily adaptable to tele studios have particularly ignored vision's requirements for memo-production for television and con-rizing scripts and giving sus-centrated instead on planning the ained performances—with no re-use of television in their own op-akes.

North's Queen Play Signal Opened Way to Set Bidders

By WILLIAM E. MCKENNEY Written for NEA Service

T HAD luncheon recently with party host is always looking for An old friend. H. Huber Bos-cowitz of New York City, a for-mer president of the bridge league. He was the first recipi-ent of the Edwin A. Wetzlar tro-joys playing a different type of

ent of the Edwin A. Wetzlar trophy, given to the person who contributed most to the game of bridge.
