the "Telephone Hour." He will appear in the triple role of soloist, arranger and composer. His own composition will be the nostalgic "The Old Refrain." Donald Voorhees has selected two colorful compositions for the Bell Smyphonic Orchestra, He will open the concert with the stirring "March of the Polovetzi" from Borodin's "Prince Igor." The second composition for the orchestra will be "Dance of the Comedians" from Smetana's opera "The Bartered Bride," WOAI-8 P.M. EDWARD G. ROBINSON AND CLAIRE TREVOR WILL

play their original roles, assisted by Edmond O'Brien, in a fullhour adaption of "Key Largo," exciting gangster drama set in Florida on CBS' "Lux Radio Theater". Robinson is cast as Johnny Rocco, a deported racketeer who sneaks back to the United States from Cuba and seizes a run-down hotel at Key Latgo to engineer a counterfeit scheme. With him is his girl friend, Gaye, a role which won Miss Trevor an Academy Award. A distinguished ex-Army major, played by O'Brien drops in to visit the captive propretors, whose son was killed in the war. The former officer, at first apathetic, is galvanized into action when his character is put to the test. KTSA-8 P.M.

A PRETTY GIRL CAN ALSO BE AN INTELLIGENT girl, it becomes evident in "Aunt Jenny's" dramatized story today. "Aunt Jenny" has become a daily listening habit with millions of American women who enjoy her interesting stories every Monday through Friday, KTSA-11:15 A.M.

STEVE MACLEAN PUTS A NEW SLANT ON THE OLD question of the relativity of time and space-he doesn't know whether it happened yesterday, today, or will happen tomorrow, but he's convinced it's real-in "Illusion of Murder," the frightful foray into mystery on "Inner Sanctum," Mason Adams stars as Steve. The script is by John Roeburt, Steve is stumped with a few extra hours and days left over; hours and days that won't fit into the calendar. He might be able to

forget about them, but in trouble is that he can't tell somehow got a sneak preview of the future, or if part of the past skipped the track of time. Hi Browns produces and directs "Inner Sanctum." Paul McGrath is Your Host, and the music is by Lew White. KTSA-7p.m.

THE LONE RANGER AND Tonto ride into almost certain death as they follow the trail of the Tennessee Kid. The Kid, who looks innocent, and his ruthless gang are out to kill the masked man and his Indian companion and almost succeed in the story of "The Tennessee Kid." KABC-6:30 p.m.
