

## **British Film Makers Face** Mid-year Shutdown, Claim **High Taxes Are to Blame**

## By ALVIN STEINKOPF

ONDON. (AP) British motion picture producers, exhibitors and workers, scared by grave warnings that their industry is heading for a smash, are making a fight

It's money trouble. Deficits pile up in this season of annual meetings as company after company reports losses. Few responsible leaders in  $\otimes$ 

movie enterprises are so pessi; the producers' end of it. The exwill disappear entirely in Britain, hibitor and distributor, while not there will be a com- altogether happy, are getting and that there will be a total along. plete surrender to Hollywood, along. Covernment intervention, even British producers are touchy

plete surrender to nonywood. Government intervention, even nationalization, could be depended about being compared with their upon to forestall complete col-opposite numbers in Hollywood. It's harder to make a profit here.

upon to forestall complete col-lapse. But just how badly things are i Soing was indicated by a careful ctatement of the mighty J. Arthur Rank, the country's big-gest producer. Rank said unless there is a turn for the better, his organization will have to consider stopping all production about the middle of next sum-Studio workers are keenly aware that something has hit

Studio workers are keenly luck and inspiration a chance of aware that something has hit making some money. them, Less than half of the In Britain a similarly situated country's 24 studios, with their producer plans with £300,000, 72 sound stages suitable for mak-ing entertainment features, are to be on a with American ing entertainment features, are operating. Dismissals of large groups of workers are almost weekly occurrences. FIGHT FOR LIFE

Now the fight for life is being chances of earning anything fought on a number of fronts abroad are too slight to figure An immediate aim is to shed seriously in his calculations. The An inimentate aim is to shear seriously in his calculations, the some of the tax load borne by great prestige pictures—"Ham-the groggy industry. It pays let" "Red Shoes," "Passport to about £39,000,000 (\$109,000,000) a Pimlico"—do well abroad, but the year in entertainment tax alone, world has been unkind to Brit-The ability for the ability for the queen of hearts with the

wear in entertainment tax alone. Even the child's four-penny seat pays its fraction of a penny to the state, while just about half of the costiler admissions are paid into the public treasury. The movies are one of the Socialist touching intimately the lives of so many Britons should be crushed in a crisis which has lasted so long and is getting no better, is puzzling to many En-glishmen. Its business is vast. There are about 4800 licensed com-glishmen. Its business is vast. There are about 4800 licensed com-mercial movies in the United the provide that for the year mercial movies in the United the u glishmen. Its business is vast, cuction matters by Sir Alexander There are about 4800 licensed com-Morda, reported that for the year mercial movies in the United ending last March it had lost Kingdom. About 28,000,000 Brit-f1.197,361 (\$3,352,610). Other com-ons, and the Irish of Ulster, go to the pictures every week. There is ubsidiaries in the complicated stream units in the complicated to the pictures every week. There subsidiaries in the complicated are enough seats to accommo-date 4,200,000 at once. Box of-fice receipts in 1948 were esti-mated to be f112,000,000 (\$313,-600,000).

Just a quick glance reveals antor to one of his companies that the troubles of the indus-try are concentrated largely in 400 (\$3,165,120).
