critical comment on success or failure and a pretty good indication of how many people are listening to their radios.

Arthur Godfrey has 14 people working, just sorting and answering his daily mail. Crooner Vice Damone figures it a poor week if he doesn't corral four or five written invitations to wed. Commentator Mary Margaret McBride scribbles her signature on 1000 notes weekly. Quiz Master of Ceremonies Bert Parks considers it a week lost when the language purists don't harry him of theater property throughout STARS AGAIN\_ Robert Montgomery, Hollywood's man of all work, star, director and producer of movies, wartime Navy veteran of note, has done it again. Dr. Montie Magree, psychiat-rist of the Long Beach Health Dept., will be interviewed by Mrs. Rebecca Loy, health chair-man of the League of Wom.an Voters, tomorrow over KFOX at 3:30 p.m., the league announces. The interview is one of a series sponsored jointly by the league and the city health department.

#### **Durante Convulses** Own Cast Members

Some of Hollywood's eleverest "straight men" hate to appear opposite Jimmy Durante on his Friday night NBC show. They complain that they can't keep from laughing. Constantly "breaking up" is one of radio's gravest sins.

#### Monroe Observation

Vaughn Monroe, star of his own CBS, Saturday series, offers this week's sage observation. Says Vaughn: "Crime's story would be shorter if the sentences were longer.'

#### What Films Need

After observing some of the Mins being shown on television, Ed "Archie" Gardner of NBC's "Duffy's Tavery," has come to the conclusion that they need more movie and less talkie.
