Television Set Tax Proposal Hit

L'UERY bridge player, at some time or other, gets a good story in connection with some hand. I saw Eugene Bauer of New York city the other night and he said. "Bill, I'll bet you never saw a person play a hand at three no trump in which, with a singleton club in dummy and two little clubs in his own hand, he had to lead clubs twice in order to make his contract."

It did sound unbelievable. The clubs could be divided five-five, and why wouldn't the opponents cash their club tricks and set the contract? Bauer said. "But it is true and it happened m the contract? Bauer said. "But it is true and it happened m the contract? Bauer said to tell my readers that he did not justify the bidding, but a true story is better than fiction and three no trump was the final contract.
