DIAL LITES-TONIGHT

6:00-KFI-Jeanette MacDonald makes one of her rare appearances on the air when she recreates her role in The Sun Comes Up" on "Screen Guild Theater." Claude Jarman, also of the original cast, plays the part of the orphan boy who brings happiness to a concert singer who has lost her own son and husband.

8:00 KHJ The "Elephant Stampede" recalls the dramatic incident in the life of "Clyde Beatty" when he finds that his kindness in saving the life of a pigmy is returned in full when he too faces certain death.

8:30-KFI-They're off! The "Aldrich Family" frenzied preparations for a trip to Washington, D. C., to take in the annual Cherry Blossom Festival have this merry group in the usual dither . . . pending safe arrival, next week's broadcast will originate in the nation's capital.

9:00-KTED-As the swallows return to Capistrano so does this fine live talent show return to historic El Adobe in that town . . . it's the "Cavaliers and Chris," one of the most popular trios in Southern California, who will be heard at this time each Wednesday, Thursday and Saturday.

9:00-KNX-"The Criminal Proposition" is a fake bankruptcy scheme in which a cashier is bribed to disappear with the company's funds . . . when the "FBI" gets in touch with the man's wife, the jig is up.

10:15—KECA—Once again the coronation of movie royalty will be heard throughout the world. This year's Oscar nominees will be heard and described from the "Academy Award" ceremonies at the famous Pantages Theater at Hollywood and Vine.

TELE-TIPS 7:00—KTSL—The heretofore completely ad lib show "Love and Kisses" has gained such importance and popularity that it now has it's own production man to round out the delightful dialogue so ably handled by Linda Williams and Steve Dunne.

8:00-KTTV-"Buster Keaton" is in the dough . . . literally . . . on his show tonight. He decides to invest his money in a bakery and his inspection tour of the mixing room, pastry and pie making departments is fraught with the peculiar perils that relentlessly pursue Buster. 8:30—KNBH—A haunted house leads "Martin Kane, Private Eye," to the discovery of a deported gangster's attempt to return to the U. S. This all develops when

a young girl calls upon him for help when she is bothered by ghostly visitations. 9:00-KTLA-"The Devil Bat" is the weird sounding title

of tonight's picture starring Bela Lugasi. THURSDAY, MARCH 23

Trick Count, Not Trusting to Luck, Best Bidding Guide

Written for NEA Service

To count your tricks in today's hand involves slightly complicated mathematics. Nevertheless, alize the possibilities, rather than and queen of hearts pick up trust to luck, it is not difficult

that will bring home the contract. On the opening lead of the 10 of diamonds, the queen is played from dummy. East goes up with

the ace and declarer has to trump with the seven of hearts. Now declarer cannot take it for granted that the trumps are going to break well. He must guard against a bad break in trump. Can he make the contract, even if they break badly? He already has shortened himself down to three trumps by ruffing a dia

the opponents has four trumps, hey are sure to make a trump West's

a spade to dummy, finessing the the queen. East will win this trick with the king, and a spade ing club discarded. Next a spade

monds and trump it with the king of daimonds and three clubs eight of hearts. If he is looking —12 tricks for his contract.

By WILLIAM E. McKENNEY will see that he can discard dummy's losing seven of diamonds and the fourth spade on his ace

and queen of clubs. Having trumped the diamond, South should cash the ace and if you will take the time to visu-club to dummy's king. The king

turned, late Tuesday night, Ex-soldier Humphries, a construction

worker, said that none of the assignments of his four years in

the Army provided a surprise to compare with welcoming home a

Public to Hear

Moon Beam Hits

NEW YORK, (AP) Radio signals

sent to the moon where they bounce back to earth are to be

broadcast in an NBC special pro-gram now being arranged. The

purpose is to introduce the net-work's new scientific fiction dra-

ma series which has been re-titled again as "Dimension X." The broadcast is expected to

be along the lines of the tests conducted in New Jersey a cou-

ple of years ago by the Army Signal Corps. At that time spe-cial radar equipment was set up

and signals sent to the moon were reflected back to receivers

on earth.
"Preview to the Future" has been picked as the name for the

program, which will have the 15 minutes preceding the first sci-

ence drama on the evening of
