## Defends Ingrid

PAULETTE GODDARD

"Ingrid and Rita haven't done anything wrong. The same things have been going on... in the best of families," asserts Paulette Goddard, referring to romances of Miss Bergman and Miss Hayworth. Paulette said in Paris she is prepared to answer in Washington charge of Sen. Edwin Johnson (D-Colo.) that Ingrid and Rita are "apostles of degradation."

## 3 Injured in Blast; Damage Put at \$50,000

MILWAUKEE—(AP)—Three men were injured and \$50,000 damage caused Monday in an explosion and fire at the city sewage disposal plant on Jones island. Chief Engineer Raymond Leary said the blast possibly was caused by leaking illuminating gas or manganite dust, a fertilizer by-product of the sewage plant. The explosion blew a hole in the roof of the dryer house, shattered windows, damaged equipment, and touched off about 100 small fires according to firemen. The blast, in the three-story brick and steel dryer house, occurred in the cyclone stack, a chimney above one of the 10 dryers. It set off a chain reaction in the other dryers, connected by ducts. The injured men were working in the building. None was hurt seriously. Leary said the disposal plant has a reserve capacity and that it would not be necessary to shut down while repairs were being made.

## FIRST 50 HARDEST

DELAWARE, O.—(UP)—Mrs. Harry McClellan, 72, sued for divorce despite it's being her golden anniversary year. Charging neglect and extreme cruelty, she said her husband hit her on the head with a rolling pin and 22 stitches were required to close the wound.

# cordially invites you to the FIRST LOOK '51

The New Handcrafted

# 1951 FRAZER

New for '51...the luxurious handcrafted Frazer... beautifully new in five magnificent body styles.

The Frazer four-door sedan, pictured above...  
The Frazer Manhattan, the much-copied "hardtop" (a Frazer original), in two exquisite versions...one covered with the lustrous sheen of nylon in rare and exclusive colors, the other in the most sparkling of metallic hues to do justice to the convertible look in solid steel...  
The Frazer Manhattan Convertible (America's only 3-door convertible)...  
The 2-cars-in-1 Frazer Vagabond (the car that doubles in class!)  
And new for '51...in every Frazer...Spirited Super-sonic Action! The 1951 Frazer more than lives up to the

dash and flair of its good looks. With its new 115 horsepower Super-sonic high-torque engine it delivers action in a way to make most other cars seem like lazy loafers.  
Its responsiveness and effortless handling make your life easy and wonderful behind the wheel! Chassis and body designed exclusively for each other, (like no other car)...modern uplift fenders for ease in putting on chains or tires...the "fall away" hood for better close-up vision...wing-tip parking lights...Hydra-Matic Drive optional at extra cost.  
And more than a score additional new features that put the new Frazer at its wondrously low price definitely first in value in the fine car field...for '51!  
Built to Better the Best on the Road!
