making six.

By WILLIAM E. MCKENNEY Written for NEA Service.

Just because you do not bid a tempt to take the finesse, East is slam is no reason why you should bound to win the trick and will not try to make it. Today's hand return a club, so jump up with came up in a tournament where the ace of spades.

I saw it played at several different tables. One pair actually bid and made six. Another pair bid when West plays the seven-spot.

six, but only made four, while you will notice that the only missanother pair bid four and made ing diamonds are the king-jackseven. The real fun in bridge is five and three. You are pretty
remembering the bidding and sure that West pays the only missanother pair bid four and made ing diamonds are the king-jackseven. The real fun in bridge is five and three. You are pretty
remembering the bidding and sure that West pays the only missing the pair of the control of the cont five or three. ▲AJ\$7 ♥107

He did make an overcall of two clubs, vulnerable, and he would not do that with just five clubs to the ace-queen. He must hold the king and probably the jack of diamond, so take the double fi-N E 4 K Q 43 W E 9 53 S Dealer 10 65 6 nesse in diamonds, put up the ten from dummy. When it holds, lead the ten of hearts ond overtake it with king. Cash the ace of hearts and then lead the other diamond. West will play the jack and the queen will hold the trick. Now play the ace of diamonds which picks up the king and you will make 13 tricks, discarding your losing clubs and
