YEAH, I KNOW - BUT WHY WOULD ANYBODY EVER WANT TO HURT YOU?

THAT'S A QUESTION I OFTEN ASK MYSELF - BUT SOME TIMES, IF I WANTED TO FIGURE A GOOD ANSWER, IT COULD BE FATAL...

## TEXAS LADY LOSES 26 POUNDS

The following remarkable story shows conclusively that Bartram's 500's is safe, it contains nothing harmful, in fact, its unique ingredients that make you feel better. No starvation diet—no weakness—no hunger. Bartram's, the original grapefruit juice recipe, taken off fat quickly, safely and you are out plenty.

**Here is proof**  
 "I feel that I must write and tell you what results I have had with your wonderful medicine Bartram's. Before I started taking it, I felt run down and tired all the time. I weighed 150 pounds. I have already lost 26 pounds and am going to continue taking it until I get down to 120 pounds." Mrs. Leo McFarland, Route 1, Pecos, Texas.

**At all drug stores**  
 If you are overweight and want to take off extra fat, just go to your drug store and ask for four ounces of Bartram's 500's. Pour this into a pint bottle and add enough grapefruit juice to fill bottle. Then take just two tablespoons three or four times a day. You will see the extra fat melt away to take off weight, return the empty bottle for your money back. (Adv.)
