## YWCA Week Observed Here

This week is National Y.W.C.A. Week, and the Local Headquarters has announced that all three branches of the Y.W.C.A. in San Antonio are holding open house.

A policy of the Y.W.C.A. is that it should not only provide housing for working girls, its ideal at its inception, 95 years ago, but that it should also help employed women gain emotional security through association with others in classes, study, and recreation.

Open House is being observed in the Pine St. Branch at the corner of E. Crockett and Pine, the International Institute at 515 N. Pease St., and Central branch at 405 Fifth St.
