# **Crime Lab Expert** Identifies Clues in Darling's Trial

GREEN BAY —(U.P.)— A state crime laboratory expert told a circuit court jury late Friday that broken glass from Bernard "Boob" Darling's car headlight was found in the clothing of the girl he is accused of killing.

Lawrence J. Goin, crime laboratory microanalyst, was the prosecution's star witness as Darling's negligent homicide trial ended its GREEN BAY -(U.P.)- A state

# Dismissal Motions in Lobby Cases Set for Thursday

Dismissal motions in three of Dist. Atty. Robert W. Arthur's lobby cases, which have been pending for nearly a year without court hearing, may be argued Thursday in circuit court, Judge Herman W. Sachtjen said Friday afternoon.

Attorneys for Lobbyists Milton T. Murray, Arthur J. Balzer, and Lobby A. Decker all from Milway.

cution's star witness as Darling's negligent homicide trial ended its third day.

The former Green Bay Packer football star is accused of running down 15-year-old Shirley Mae Trout, Allouez, Nov. 1 and driving on. He has denied the charges.

Goin told the court "there is no possibility that glass fragments found at the accident could have come from any other source than Darling's car."

He also testified that paint on the girl's coat and Darling's fender tallied and fibers of blue cloth on the fender matched the material of the field that paint on the find the find the field that paint on the find that his sister left to go at that his sister left to go at the find that his sister left to go at the find that his sister left to go at the find that his sister left to go at the find that his sister left to go at the doctor in Dubuque for an at the find that h
