Bothered for Years By Dandruff and Itchy Scalp

NEW BRAUNFELS, Texas—Mrs. James R. Reeves, 228 East Bridge Street, New Braunfels, Texas, says: "I was bothered with dandruff for years, and tried everything I heard or read about, but nothing did me any good. One day I was at a friend's home, and noticed a bottle of Baker's Hair Tonic in the bathroom. I asked my friend if it was any good. She told me it was the best product on the market, and that it would get rid of my dandruff and itchy scalp, or my money would be refunded. I went right to the drug store and bought a bottle, and that was a mighty good purchase. I was soon free of the tormenting dandruff and itchy scalp. I'll get along without other things, but never again will I be without Baker's Hair Tonic. Those who try it for dandruff or itchy scalp will feel the same way."

For dandruff and itchy scalp use Baker's Hair Tonic and for clean scalp and lustrous hair use Baker's "Latherant" Shampoo. Get them both at your drug store, barber shop or beauty shop. You'll be delighted with results, or the makers of Baker's will refund every penny of your money.—Adv.
