Husband Tormented By Dandruff for Years

SAN ANTONIO, Tex.—Mrs. J. A. Kohutek, 1301 W. Agartita, San Antonio, Texas, says: "I have never before written a testimonial, but Baker's Hair Tonic gives such marvelous results I want those who are troubled with dandruff or itchy scalp to know about it. My husband had been tormented and embarrassed by dandruff for years, and he had tried practically everything that was recommended without any benefit at all. I got him a bottle of Baker's Hair Tonic, and he hesitated to use it as he had been fooled no many times. The very first application did him worlds of good. Now he doesn't have a bit of dandruff. He says he will continue using Baker's Hair Tonic about once a week as long as he lives." For dandruff and itchy scalp use Baker's Hair Tonic, and for clean scalp and lustrous hair use Baker's "Lathermist" Shampoo. Get them both at your drug store, barber shop or beauty shop. You'll be delighted with results, or the makers of Baker's will refund every penny of your money.—Adv.
