South Should Refuse to Win First Trick to Make Bid

By OSWALD JACOBY. Written for NEA Service.

I DON'T feel so bad about that hand," Hard Luck Joe declared smugly. "The odds were 7 to 1 in our favor." "How did you figure that one out?" asked North. "You wouldn't have to ask such foolish questions if you ever learned how to read," Joe sneered. "When you've had a little practice spelling out simple words, I'll show you Jacoby's book on the odds. He says that when you have three finesses to take, the odds are 7 to 1 against losing all three of them."
