### WHEN SLEEP WON'T COME AND YOU FEEL GLUM

Use Chewing-Gum Laxative—REMOVES WASTE... NOT GOOD FOOD

When you can't sleep—feel just awful because you need a laxative—do as millions do—chew FREN-A-MINT.

FREN-A-MINT is wonderfully different! Doctors say many other laxatives start their "washing" action too soon... right in the stomach. Large doses of such laxatives upset digestion, flush away nourishing food you need for health and energy... you feel weak, worn out.

But gentle FREN-A-MINT, taken as recommended, works chiefly in the lower bowel where it removes only waste, not good food! You need less water and energy... you feel fresh, worn out.
