**HADACOL**  
Mrs. Mabel Kitchen, 1650 Amsterdam Street, Covington, Ky., says that she didn't realize how wonderful it is to be without those unbearable aches and pains of neuritis and she thinks HADACOL deserves only the highest praise.

Mrs. Kitchen was suffering deficiencies of Vitamins B1, B2, Niacin and Iron, which HADACOL contains. Unlike most remedies HADACOL doesn't give temporary relief, but instead treats the real cause of the sickness due to such deficiencies.

Mrs. Kitchen's statement: "So far I have taken three bottles of HADACOL and I am just starting on my fourth. Before I started taking HADACOL I had aches and pains of neuritis in my shoulders, my back, my arms; I could hardly move without having those terrible aches and pains. I seemed to have a cold all the time and worst of all I couldn't eat anything to give my system a balanced diet. Then I heard about HADACOL from a very good friend of mine. After taking the second bottle the aches and pains were about gone and my appetite had improved. Now I am on top of the world. I eat well, I have gained weight and, best of all, the aches and pains are gone completely. I heartily recommend HADACOL to all my friends."

**It's Different**  
Remember, HADACOL helps build up the hemoglobin content of your blood (where iron is needed) to carry these precious Vitamins and Minerals to every organ, and every part of your body—to the heart, liver, gall bladder, pancreas, kidneys and lungs, even to the eyes, hair and nails. Countless thousands are benefiting from HADACOL... even hundreds of doctors have recommended HADACOL to their patients.

Don't forget, HADACOL is sold on a strict money-back guarantee. Give remarkable HADACOL a chance to help you. It is never too late to start taking HADACOL. Try HADACOL today. Accept no substitutes. You'll feel great with the first few bottles you take—or your money back. Only \$1.25 for Trial Size. Large Family or Hospital Size, \$3.50.
