

TERRY & PIRATES
 Obviously Yang must be afraid of his government's enemies...
 When he goes to meet him at this seaport to throw...
 He's not only hoping he's got to take the billion off our hands...
 Well, soon know... just picked up the...
 And a short time later...
 Funny figured he'd be waiting for us here.

HOPALONG CASSIDY
 Hopalong Cassidy
AMERICA'S FAVORITE COWBOY
 Apache treasures buried inside dummy cask...
 That's all we want to know!
 Round up the men, bring picks, shovels and axes to the old wine cellar... pronto!
 Mighty quiet up there, all of a sudden!
 Too quiet, maybe the injuns' cashed in his chips!

ARCHIE
 See Archie in Big Sunday Express Colored Comic Section
 Jughead, why the umbrella? Do you burn easily?
 He expects rain and doesn't want to get his bathing suit wet!
 Go on, laugh!
 See? Some pun, huh?
 Now watch this!
 Help me pull the handle out, Jughead's under there!

MARY WORTH
 When lilacs last in the dooryard bloom'd, and the great star early droop'd in the western sky in the night, I mourn'd and yet shall mourn with ever-returning spring...
 Greg...
 Please... give me a cigarette...

SMILIN' JACK
 Look—the doctors are taking the final bandages off now!
HEARTACHES
 Hand magnolia a mirror, mother... when she sees herself again she'll snap out of her coma!
 Later...
 She hasn't said a word, she still just sits and stares!

LAREDO CROCKETT
 Rosalinda, why didn't you tell me there was a bunch of gals in that dressing room?
 I wanted you to be sure the outlaws weren't hiding there!
ORPHAN ANNIE
 Now... Jamie!
LAND OF OPPORTUNITY
 Now! Just look at the sheep—thousands of 'em—
 Yep—about all that can live in this country—
 Then why do people come here to live?
 Not many do, Annie—they come for other reasons—to be alone—or to get rich—
 There's still millions and millions in gold under these mountains and silver—and other metals—
 I guess it's the other metals you're looking for—eh, "daddy"?

THE GUMPS
 No child is born sad—unhappy home life, bad companions—ah! I've got it! The reward system!
A FAIR QUESTION?
 Isn't that a beautiful bike, ruggie?—just like the one you've borrowed from Chester...
 That bicycle will be yours—but you'll have to earn it...
 Did Chester earn his?

STEER a straight course
 Just as a mariner depends upon the laws of navigation and his tested instruments to steer a straight course, so do the men and women who shoulder the responsibilities of steering a business to success rely on tested procedures—and the co-operation of their bank—in reaching the goal.
 It is a source of satisfaction to The Commerce that so many heads of business—both large and small—depend upon the counsel and the many services of this Bank to aid them in charting the best course for their financial affairs.
 Other forward-looking executives are invited to avail themselves of this co-operation.
